Station Madras, Dated the 7th September 1915

From (Name) the Hon'ble Mr. H. S. Duncan, M. A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

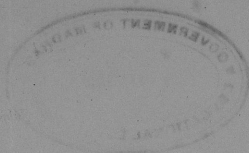

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year from 1st October next of two additional teachers on Rs.30 and 15 per mensem in the Government Muhammadan Girls' School, Trichinopoly.

2. The present staff of the school consists of four teachers on Rs.25, 20, 15, and 12. The Inspectress of Girls' Schools, Southern Circle, reports that the third was the highest standard in the school in March 1910 when the present scale was sanctioned, while at present there are eight standards with a strength of 126 pupils as shewn in the margin and that the present staff is quite inadequate for the number

number of classes, more especially as the Infant class admits of being divided into two sections, . She therefore recommends the employment of three additional teachers on Rs.40, 15 and 15.

I am convinced that the staff requires to be strengthened, but consider that, in view of the average attendance of the Infant standard which is reported to be only 30, two additional teachers, on Rs.30 and 15 should suffice for the present.

3. The extra cost involved during the current year will amount to Rs.225(Rs.45/- for 5 months), and it can be met from the savings anticipated under 'salaries' for 'Elementary school for girls' in the current year's budget.

I have the honour to be,

Sir,

Your most obedient Servant,

G. V. V.

for Director of Public Instruction.

that we can leave the decision to them.

Submitted for order.

The Financial Dept. suggest a pay
of Rs 18 and 12 for the additional
teachers in lieu of Rs 20 and Rs 15
proposed in the draft in pursuance of
the Director's recommendations. That
Dept. leave the decision however to
Educational. It is for consideration whether the
suggestion of Financial may be accepted
in view of the low strength of the school.
If so, the draft as altered in pencil
is for approval.
