Messrs. Jones and Hunter request that the special allowance of Rs. 100 per mensem granted to them in Lys no. 728 Vol. 2, dated the 3rd July 1915, may be given effect from the 1st March 1915 and Mr. Allen requests that the allowance may have effect from his return from furlough, i.e. the 22nd March 1915. No reasons have been put forward in support of the requests. As the letter from the Govt. of India authorizing the Madras Govt. to sanction the allowances in question is dated the 11th February 1915, there may not be any serious objection if the sanction of that Govt. appears to be that the allowances may be given with effect from the 1st March 1915. There is no objection to the sanction of the allowances.

2. The next question for consideration is whether the Local Govt. are competent to sanction the request. Under art. 292 of the Civil Accounts Code, a sanction of the Govt. of India or of a Local Govt. or other authority, has effect from the date of the orders conveying the sanction. In the present case the order of the Madras Govt. actually sanctioning the grant of the allowance is dated the 3rd July 1915 and the allowance may be

naturally have effect only from this date. He
 however, observed that the maderas lgt.
 are not themselves competent to sanction the
 allowance and that they have been ^{specifically} ~~been~~ ^{authorized by the Govt. of India in this behalf}
 authorized by the Govt. of India in this behalf.
 In this view the order of the maderas lgt. may
 be taken as a communication of India's orders.
 If so, the date of the order conveying the sanction
 is the 11th February 1915, ^{India's orders may be taken as} ~~the date of India's lgt.~~
 Should this view be approved, the further sanction
 of that lgt. in regard to the memorialists' request
 would be unnecessary. As the matter is
 not, however, free from doubt, the Financial
 Department may, it is submitted, be requested
 to advise.

With reference to art 292, of the Civil Accounts code, there is no objection to the allowance being sanctioned with effect from 11th February 1915, the date of the Govt. of India letter No. 281, sanctioning the grant of special - allowances to officers in the Indian Educational Service.

The question being settled that it is within the competence of the local Govt. to sanction the ~~grant~~ allowance with effect from the date asked for, it is now for consideration from the administrative point of view whether the allowances should be paid from the 1st + 22nd March 1915. There seems to be no objection to it.
