From (Name) The Honourable Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

With reference to G. O. No. 696 Edl. Mis., dated 30th June 1915, I have the honour to submit a copy of this office Pros. R. C. No. 788/15, dated 15th July 1915, and of Miss. Myer's reply dated 17th July 1915 accepting the scholarship on the conditions mentioned. As regards the duration of training required, it seems to me that a period of two years training and study will suffice. This point is, however, engaging my attention, and if I find that less than three

years training and further study will be enough , I shall
subsequently address Government with the request that Miss
Myer's period may be reduced to two years.

I have the honour to be,

Sir,

Your most obedient servant,

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Read the following paper:—

Letter from Miss Myers, dated 10th June 1915.

G.O.No. 696 Edl. Mis., dated 30th June 1915.

Miss Myers is informed that Government are prepared to grant a special scholarship of £200 per annum under the usual conditions to enable her to proceed to England to qualify for the teaching profession provided she binds herself to serve Government for 4 years after her return from training at a minimum salary of Rs. 200 per mensem. She is further informed that Government have accepted the Director's suggestion that her name may be proposed to the Secretary of State for appointment in the Indian Educational Service after the termination of her period of training on the receipt of satisfactory reports of her progress during training.

Miss Myers is requested to intimate to the Director as soon as possible whether she accepts the offer on the above conditions.

A copy of the conditions of award of the annual scholarship for European and Anglo-Indian Women is enclosed.

Sir,

I have the honour to state that I accept the offer of a Government scholarship on the conditions mentioned in the notification from the Director's office, No. 788, dated the 15th July 1915.

1. I request that you consider whether in the event of my failing to get a post in the Indian Educational Service my term of obligatory service may be reduced from four to three years.

2. If I am to hold the scholarship for 3 years, I propose to devote the first to obtaining, in London, a training for the Educational profession; I propose to qualify for a degree in Oxford during the 2nd and 3rd year. If 2 years are thought sufficient I might, I think, spend ~~attending~~ the 2nd very profitably at Oxford attending lectures on English language and literature and getting a further insight into educational methods. But the expediency of a longer or shorter stay there, two years or one will be clearer after enquiry, on the spot as to the possibility of obtaining desirable qualifications within a limited time.

I have the honour to be,
Sir,
