To  
The Secretary to Government,  
Educational Department,  
Ootacamund.

WE the undersigned parents and guardians of the girls attending the Sarasvati Patasala Kumbakonam, beg to request that the Theosophical Educational Trust which manages the institution now may be prohibited from establishing it in any place except in inhabited centres, as we understand that the Trust proposes to acquire some land near the Theosophical Lodge and build a school house there for the girls.

2. The object of the Trust seems to be to instil Theosophic ideas into the minds of the girls, so that when they become mothers, they may serve the Theosophic cause.

3. The location of the school in an inhabited centre must certainly let the cat out of the bag and it is therefore sought to locate the building in a remote corner where there are no houses at all and where it is easy to inoculate the minds of children with impunity.

4. It is for completely theosophising the school, that it was removed from a busy centre to the lonely Theosophical Lodge.

5. We do not wish that our children's minds should be perverted by the Theosophical Society.

6. The Sarasvati Patasala was originally a Municipal School. When, for want of funds, the council was about to abolish it, the local Branch of the Theosophical Society stepped in, took up the management and had all the furniture transferred to it for nothing in 1903, November.

7. Till 1914, fees, grants and public subscriptions maintained the institution. Even now about Rs. 100 is collected both from theosophists and non-theosophists monthly for the maintenance of the school and government grant is nearly Rs. 900. The Theosophical Educational Trust has now come forward with a promise of financial help to the school.

8. We anticipate danger in removing the school to a secluded spot in the town and we are sure Government will not encourage the Theosophical Society in its insidious attempts to pervert Hindu Girls.

9. The Government Girls' School is situated in the most densely peopled part of the town and the Theosophical Educational Trust should be compelled to select a site for their school in a similar place. Sites are available and at moderate prices.

We therefore pray that you will be so good as to issue strict orders to the Trust to have the proposed building erected in an inhabited centre, failing which the recognition of the school should be withdrawn and the building grant of Rs. 8000 sanctioned by Government for the proposed school-house withheld.

Sir,

In returning herewith the petition received with your

endorsement No. 2471-1 Educational dated 21st July 1915, regarding the location of the Sri Saraswati Patasala for Girls at Kumbakonam, I have the honour to state that the Inspectress of Girls' Schools, Central Circle, who visited the school on the 23rd August 1915 reports that the present location of the school is quite close to the street where

it was formerly located and that in her opinion, the school which is now under the supervision of Miss. P. F. Parsons, retired Assistant Inspectress of Schools, is likely to grow in popularity. She further states that the statement in the petition that the site is "in a remote corner where there are no houses at all" is a deliberate untruth. In these circumstances, I am of opinion that the petition deserves no consideration.

I have the honour to be,

Sir,

Your most obedient servant,
