From (Name) The Hon'ble Mr. H. S. Duncan, M.A.,

Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year from 1st October next of an additional assistant on Rs. 50/- per mensem in the Government Training School for Mistresses, Karuntattangudi.

2. The present staff of the school consists of 11 teachers excluding the Drawing Mistress and including the two temporary assistants sanctioned in G. O. No. 1233 Educational, dated 4th November 1914, as shown in the margin. The Inspectress of Girls' Schools, Central Circle, reports that the number of students under training in the School

is at present 78 in four classes (-Lower Elementary class 1st year - 12, 2nd year - 15, Higher Elementary class 1st year - 24, 2nd year - 27 -) and that as the Lower Elementary students who are extremely backward require special teaching, four teachers are absolutely necessary for this department. She further states that the model school which consists of ~~xxxxxx~~ standards Infant to VII with a strength of 181 and with an average attendance of 136 pupils requires nine teachers as shown below:-

Standard. Strength. Attendance in July 1915. No. of teachers required.

Infant.	79	58	3 ² / ₂

Seventh.	5	5	1
	181	136	9

It will thus be observed that 13 teachers are necessary for the whole school - ^{4 for the training section and 9 for the model school} - while there are only 10 teachers in the school exclusive of the Headmistress whose entire time is occupied in supervision, and correspondence and in doing the work of the teachers who may be absent on casual leave. The Inspectress proposes therefore the employment of three additional teachers one on Rs. 50/-, the other on Rs. 25 and the third on Rs. 20 ^{so} that the work of the school can be carried on efficiently.

I agree with the Inspectress in thinking that some additional help is necessary but ~~her~~ consider her estimate of three additional teachers to ^{be} rather extravagant. Looking at the average attendance in the Model School two teachers would seem to be sufficient for the infant standard and this will reduce the number of teachers required

required for the school from 9 to 8, and accepting the Inspectress's estimate as to the need for the employment of four teachers for the Training Department, ^{there} teachers should suffice in all for the whole school. Including the Headmistress, who besides supervision may have charge of one of the classes in the training department, there are as already stated 11 teachers. The immediate employment of one additional teacher seems therefore ^{impracticable} to meet the present requirements of the school and it is suggested that the pay of the new teacher be fixed at Rs. 50/- per mensem so as to secure for the post a trained secondary grade mistress whom it is proposed to place in charge of one of the classes in the training department.

3. The extra cost involved by the proposal will be Rs. 250/- (at Rs. 50 for 5 months) for the current year and I submit herewith the necessary re-appropriation statement for favour of sanction.

4. In this connection I beg to state that the sanction accorded in G. O. No. 1233 Educational, dated 4th November 1914, to the employment of two temporary assistants on Rs. 100 and 75 per mensem will expire in November next and to request that Government will be pleased to sanction their retention for another year as their services are absolutely necessary in view of the strength of both the training and model sections.

Provision for the pay of these assistants ^{has} ~~have~~ been made in the budget estimate for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. K. S. M. S.

Sir,

In para 4 of this office letter R.C.No. 6827, dated 7th September 1915 recommending the continuance of the two temporary Assistants on Rs.100 and 75 per mensem in the Government Training school for mistresses, Karantattangudi, it was stated that the sanction accorded in G.O.No. 1233 Md1., dated 4th November 1914 would expire in November next. SUBJECT. Employment of a temporary asst. on Rs 50 p. m in the Govt. training school for mistresses, Narantakangudi, and the retention therein of the two temporary assts. already sanctioned.
From

Mr D. P. G. R. C. 6827/15 d/ 7.9.15
" " 6827/15 d/ 14.9.15

Register Nos. 3193 Edl. 432682.

In G.O. No. 715 Edl. d/ the

5th Aug. 1912 the Govt. sanctioned, among others, the Director's proposal for the addition of a training section to the Govt. girls' school, Narantakangudi, with the staff mentioned in para 2 (i) of his letter on page 3 of that G.O. Of the eight teachers excluding the headmistress ~~mentioned~~ referred to therein two were intended for the model school and two for the training section.

2. On a representation from the D. P. G. in ^{Sept.} 1914 that the above staff was found inadequate, the Govt. sanctioned in G.O. No. 1233 Edl. d/ the 4th Nov. 1914 the employment of two temporary assistants on Rs 100 and Rs 75 p. m for a period of one year thus raising the

② the pay of the headmistress being fixed at 125-5-150 — para 2 (ii) of the order at

the numerical strength of the teaching staff to ten. Of these eight were required for the model section and two for the two classes of the training section, the third class of the latter section being in charge of the headmistress.

The present proposals are

- (i) That the two teacher vacancies in G.O. No. 1233 addl. do the 4th Nov. 1914 may be retained until the 31st March 1917; and
- (ii) That an additional teacher on Rs 50 p.m. may also be employed for one year from the 1st Oct. 1915.

These proposals seem reasonable. For, with the proposed addition, the staff will consist of eleven teachers excluding the headmistress. As now, eight teachers are required for the model section under rule 81 of the Madras Educational Rules, the other three for three of the four classes of the training section.

The fourth class is proposed to be put in charge of the headmistress, who has, besides, supervision and correspondence work to attend to.

Seems also reasonable since it is proposed to place her in charge of one of the classes of the Training Dept. and hence it is necessary to secure for the post a trained secondary grade mistress.

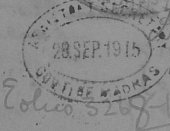

4. It may be observed in this connection that in the higher elementary training school for masters there are four teachers for the training section of whom two are in the cadre of Sub Assts. and one in the cadre of Supervisors of elementary schools.

5. A draft order is submitted for approval. If approved it may be forwarded w/o to Financial. That Dept. has also to sanction the appropriation draft: Submitted by the Director.
