Cotacamund.

Honoured Sir,

We humbly beg to bring the follow-
ing few lines to your honour's benign Consideration.

We had been students in the E. L. M. Training School
Tranquebar from June to September 1915. Lately with
reference to the proceedings of D. P. J. No 5101 of
1915 dated 4.9.1915, we were discharged from the
above Institution on 11.9.1915.

Most of us are Panchamas and have chosen the
teacher's profession in the interest of uplifting
our Community and this profession being the only
one in which we the poorly educated Panchamas can
pull on.

We all, being the loyal student subjects of our
benign British Government, expect that the same
privileges extended to the student population of
this Presidency, are given to us also.

As the school was abolished in the middle of the
term we are ourselves unable to join in any other

2/3
similar institution nor are able to prosecute any other
Course of education either general or technical.
Therefore we earnestly pray that your honour will
be pleased to take in to Consideration our difficult
Circumstances and make arrangements with
inspectors of schools to admit us collectively
or severally in any of the training schools in the
Tamil districts managed by the Government or
its agencies.

For this act of Kindness and
Charity we shall in duty bound ever pray,

We beg to remain,
Honoured Sir,
Your most obedient and loyal
Student Subjects,

To The Secretary to the Government of Madras,
E d u c a t i o n a l Department.

Sir,

In resubmitting herewith the petition of the students discharged from the E.L.M. Training School, Tranquebar, referred to me for remarks in Memorandum No. 3256-1 Edl., dated 24th September 1915, I have the honour to state that a similar petition has also been received by me and that the admission of these pupils into other Training Schools in the Southern districts is now under correspondence with the Inspectors of Schools, 5th, 6th and 7th Circles who have been asked to ascertain and report the number of additional students that may be admitted for training into the several aided or Government Training schools in their circles with the existing

staff. On receipt of this information such pupils as can be accommodated will be distributed among the schools and stipends or stipendiary grants will be paid to them so far as funds permit according as they are admitted into Government or aided Training schools as the case may be.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

SUBJECT.

Pekhai of certain Students of the E. L. M. Training School, Tranquebar.

(E)

The E. L. M. Training School, Tranquebar, is one under the management of a German Mission. The D.P.D. will doubtless report about the continuance of this school, with reference to para. 2 of G.O. no. 6888, dated the 25th June 1915. The wishkhai however, appears to have been already closed. The case of the petitioners seems also to be hard. It is submitted that the D.P.D. may be requested to report on the pekhai. A draft reference is placed below.

Memorandum no. 3256-1 Edl, dated the 24th September 1915
Cur. no. 3477 Edl, from the D.P.D., no 7173 d 6.10.15
The Director reports that he has also received a similar petition, that he has asked the Inspector of certain circles to report the number of additional students that may be admitted for training into the several aided or Govt. training schools with the existing staff and that on receipt of this information as many pupils as possible with the funds available will be admitted into the schools. No action on the part of Govt. seems therefore necessary. The papers may, if it is submitted, be reserved.
