To, The Secretary to the Government of Madras.
Educational Department.

Through, The Director of Public Instruction,
Nungumbakam - Madras.

Hon'ble Sir,

In Continuation of my appeal No A.R dated 1.7.15 submitted to Government through the Director of Public Instruction, I most respectfully crave permission to send herewith the file of Correspondence relating to the Hon'ble the Director's resolution to disallow my fixed travelling allowance for the months of April and May 1913, for my alleged carelessness in verifying the Service Register of one Turab Khan Communicated to me in Proceedings of the Director of Public Instruction Ref on C No 1891 of 13 dated 15.4.13 and the final order of the acting Director of Public Instruction on the subject passed in Proceedings Ref on C No 1891 of 1913 dated 12.8.15 and received by me through the acting Sub Assistant Inspector of Schools, Trichinopoly Muhammadan Range, on 26.8.15 and to most humbly solicit a patient perusal of the said file, as it will clearly convince the benign Government the treatment which was accorded to me in the Department in return for my honest and conscientious work and to form their conclusion in regard to its impartial and unprejudiced and unvindictive character or otherwise.

2. I most humbly submit that my Conscience strongly prompts me to bring to the notice of Government the extremely hard lot of a subordinate officer who has through irony of fate and for no palpable

reasons which are mysterious to him. I have not been actuated in writing this either to subvert orders or to question the Competence of the authorities in passing the order regarding the forfeiture of my travelling allowance.

3. It is respectfully submitted that the Correspondence would bring in strong relief, the trivial nature of the alleged fault of mine and the highly disproportionate punishment inflicted on me without bestowing the least consideration upon my humble misfortunes and appeals.

4. I am at my wits' ends to account for the in-exorable attitude of the authorities towards me and their inflexible determination to cause the complete ruin of myself and my innocent dependants.

5. I most humbly invite the attention of Government to my letters R.C No 8 of 13 of 9.5.13 and R.C No 8 of 13 of 12.8.14 (marked 5 and 20 in this file) which should establish beyond a shadow of doubt that I have not been responsible for the omission of which I have been so heavily punished, and that in justice and fairness, the blame in the matter should rest with others. Is it not my misfortune in the stated circumstances that I should have been fixed with the alleged guilt and made a target of the un-ending shots of the authorities, because it so pleases them. The cycle of misfortunes and reversals that has been revolving round me for the last few years has eventually contributed to my disbelief in the existence of Conscience and the day of reckoning and will perhaps make me infatuated with agnostic principles.

6. As I mis conceived that I might defer the execution of the order of the Director of Public Instruction until the disposal of my appeal to him and the Inspector of Schools, 5th circle (marked 5 and 22 in the annexed file) I did not fulfil it but the delay in executing it was not in derogation of authorities nor in defiance of orders.

7. It is extremely painful that the final order marked 23 received by me on the 26th ultimo should

me because I have appealed to Government against
of my reduction. It is significant that it should have
been passed more than a month after the submission of
my appeal to Government and that no orders should
have been deemed necessary before this for a long period of
several months.

8. Para 4 of the Proceedings R.O.C No 1891/13
dated 20. 12. 13 marked 6 in the annexed file will
make it transparent that the matter should have been
then set at rest. It is ⁱⁿcomprehensible to me that it
should have re-opened after the submission of my appeal,
and culminated in the order marked 23 received on the
26th ultima

9. In Conclusion I most respectfully and
humbly crave forgiveness of Government and the
authorities if this representation which I have made solely
with a view to illustrating my deplorable Condition and
in vindication of the fundamental rights of justice to which
I am entitled and not with a view to questioning the powers
of the authorities, be viewed to be improper and indecorous.

I beg to remain,

Humble Sir,

Your most obedient and humble servant

Abdus Raziq Durrani

Sir,

With reference to your Ref on C. No 613th/12 of 24.12.12 and 4.2.13 (received on 8.2.13) Calling for an explanation re: the verification of the Service Register of Muzir Khan Supervisor of Muzir: Elementary Schools, North Arcot Dt: I respectfully beg to submit as follows:-

(1) The Service Register of the Supervisor was verified upto 31.12.10 by the Sub. Assistant Inspector of Schools, ~~Madras~~ Trichinopoly Muzir: Range.

The permanent appointment of Muzir Khan Sahib as 2nd Assistant, Govt. Muzir: Training School Madras is noted in ~~the~~ Column 3 of the last page entries of the Service register (No 26 marked in red ink) & the entry about his privilege leave from 1.11.10 for three months is also made in Col 11 of the last page entries of the Service Register and attested by the then Sub. Assistant Inspector of Schools, Trichinopoly Muzir: Range (No 20 marked in red ink)

2. The entry about his appointment as Supervisor of Muzir: Elementary Schools, North Arcot District, with the Director's proceedings quoted is made and attested by the Head-Master, Govt. Muzir: Training School, Madras in Col: 13 of the last page entries of the Service register (No: 26 marked in red ink)

(4) The Director's proceedings No 6898/10 appointing Muzir Khan Sahib as

Enclosure 3

of Madras: Elementary Schools, Chittoor was received
in the office of the Sub. Assistant Inspector of Schools,
Madras Madras Range, when I was on privilege leave
for eleven months.

4. From 26th April 1911 to 11th July 1911 sanctioned in
Proceedings of the Director of Public Instruction R.C. No 24
of 24.4.1911, and when one M^r: Abdul Kalam Sahib
(a matriculate) Persian Munshi, Govt. Madrasai-
acted for me.

I beg to assure the Inspector of Schools that I had
no opportunity to see the above proceedings as well
as the report of the Supervisor of his joining duty at
Chittoor (Please vide Copies submitted by the Sub.
Assistant Inspector of Schools, Madras Madras Range).

- (5) A copy of Director's Proceedings Dis No 7915 of 1911
of 4.12.11. Communicated by the Assistant Inspector
of Schools, North Arcot Dt, with his endorsement Dis No 24
of 1911 of 23.12.11 has submitted to you by the Sub

will tend to prove that it was not seen by me. All
papers seen or opened by me will bear my initials
and date. Presumably the paper might have been
received during the Christmas holidays. It would
appear that the paper after registration was not submitted
to me for disposal by the second clerk of that office -
presumably by sheer oversight. To speak candidly, I
beg to assure the Inspector of Schools that I have not a
slight recollection of the receipt of this paper in the office.

- (6) Further I have recollection that I sent a memo to
Muzab Khan Sahib when I was in the charge of
the Madras Madras Range requesting him to purchase
another Service Register for making the entries as
the present one was completed.

The Current registers transferred to the Sub. Assistant Inspector of Schools, Vellore Muzhdu; Range from the office of the Madras Muzhdu; Range will have to be gone through to trace out the paper or memo; referred to above.

I am not sure whether in the record of Service of Thural Khan Sahib, the verification was made with reference to the three appointments quoted by the Inspector of Schools. A perusal of the record of Service will however clear the doubt.

(7) The Verification of the Service register so far as I was informed of the particulars of Thural Khan Sahib may be regarded as correct. The other papers were not brought to my notice.

I have the honor to be,
Sir,

Letter from the Inspector of Schools, V Circle. R. C
No 613 A/12 Dated 28th Feb 1913.

The Correspondence read ^{above} ~~above~~ _{147.} relates to the utter carelessness displayed by Abdul Quadir Sahib Quraishi, Sub Asst. Inspector of Schools, Ichhimopoly Mulkoti Range, in the matter of the verification and the maintenance of the Service book and record of Service of Thural Khan. The Sub Asst. Inspector's explanation is quite unsatisfactory and his submission of the Certificate of verification of the Service book, when a proper verification of the entries therein had not been carefully made in accordance with the instructions issued from time to time, is highly reprehensible. The Director therefore resolves to disallow the fixed travelling allowance of the Sub Asst. for the months of April and May 1913 and he is warned that a recurrence of such neglect of duty on his part will be more severely noticed.

Enclosure 5

Respected Sir,

I beg most respectfully to submit - that the Honourable, the Director of Public Instruction may be graciously pleased to re-consider his order contained in Proceedings No 189/1913 dated 15th April 1913, resolving to disallow my fixed travelling allowance for the months of April and May 1913 and to cancel it in view of the following extenuating circumstances in my favor.

2. The main charge against me that has culminated in the issue of proceedings under reference relates to the omission in the Service register of Murab Khan Sahib S.B. Supervisor of Muhdr. School, North Arch. St. of the entry re: his permanent appointment from 1.11.1910 to 31.5.1911 as Second Asst: Evl: Muhdr. Training School, Madras, as well as that concerning his present S.B. Appointment from 1.6.1911.

With the greatest deference and most profound submission, I beg to state that the omission in question cannot relate back to me and that in the circumstances to be presently stated, it will be unduly hard if I should be found fault for it.

Murab Khan Sahib was between 1.11.1910 and 31.5.1911 under the jurisdiction of the then Sub Asst: Inspector of Schools, Trichinopoly Muhdr. Range (Abdur Rahim Sahib B.A.L.T.). It being so, the necessary entries relating to that period should have been made by the said officer. Such entries that ought to have been made by the said officer, after his)

3. When I submitted the return of verification of service registers upto 31.12.1911, there can be no gainsaying that I was overcredulous in believing that all the necessary entries upto date were made by the officers concerned, as was then represented to me by my clerk. There can be no doubt that there was a lack of some slight circumspection and care on my part in the matter which I deplore very much.

4. With regard to the omission of the entry relating to the substantive appointment of the above named subject as 1st Asst. Engr. in India; Training School, Madras, without prejudice to his officiating appointment as Supervisor, Port Trust St. I most humbly beg to add that in all probability, I would not have come across the order on the subject before my submission of return of verification.

[illegible]

5. It is obvious in the circumstances that my certificate of the verification of the Service Register of Tharab Khan Sahib upto 31st December 1911 cannot be deemed to be culpable as it was furnished to the best of my belief and information.

6. Considering the light and trivial nature of the fault viz want of a slight care on my part, which cannot entail any prejudicial or hazardous consequences affecting any person, I beg most respectfully to submit that the Censure passed on me in the Proceedings under reference will amply meet the ends of justice and quite suffice to produce the desired effect, and that the heavier penalty of the forfeiture of my fixed J.A 2 months (i. 35 + 37½ i. 72½ Rs) would be more than commensurate with the gravity of the offence laid against me.

7. Seeing that I have had extensive travelling in April by road, and will have no simile travelling this month, which would cost me heavily coupled with the fact that these are very hard days for an officer in my position and pay to make both ends meet, in view of the bulk of my family, the penalty that I am called on to pay nearly equal to that of 2 months salary would financially cripple me to a tottering condition.

The order sought to be re-considered has engendered in me great mental anguish leading to a painful retrospect that my honest, upright, and zealous work in the department, ever since my entertainment in it has not had through my sheer misfortune its due recognition, but instead of it I was made a victim to severe and rigorous treatment.

8. My mental agony has emboldened me to make this my humble appeal to your merciful and benevolent feelings and to invoke your sympathetic consideration of my case and I crave your extreme indulgence therefore for the liberty taken.

9. In conclusion I most humbly
pray that you may be pleased to re-consider my
Case and to remit the penalty inflicted on me.

Sir,

With reference to your proceedings order remit the amount of fixed Travelling Allowance in April & May 1913 into the treasury and send a receipt, I respectfully beg to submit as follows:-

Encl no 22

1. That after my transfer to the present I am so much hampered with pecuniary difficulties which are indescribable, owing to the dearth of money and to heavy travelling expenses and a scanty salary which does not suffice even to meet the bare needs of my myself, and my dependants, consisting of 10 as shown below.

One wife ~~has~~ - two daughters of wife - A daughter of 9 years - 2 sons, one aged 7 years the other 5 1/2 years - reading in the Govt. Training Trichy, in the IInd and Infant Standard respectively daughter aged 3 and a daughter aged 4 months and brother-in-law (wife's younger brother) who is reading the Senior Intermediate class in the S. P. College, and a maid servant. To speak candidly, I am in disturbed pecuniary circumstances. My health has been much affected owing to the anxieties of heavy office work and travelling.

2. That if my explanations and application submitted with my letter R.C No 88/10.1.13; 10.9.13 and 12.5.13 are perused by with a clear unprejudicial heart, it will be clearly seen that I am not the culprit in the matter. Further the offence is of a nature that cannot be rectified and that requires such a condign punishment on an offence.

3. Therefore I humbly appeal to your
of Justice and high-mindedness and mercy
on my distressed Circumstances and request that
be exonerated from the blame and the penalty
on me, may kindly be withdrawn. For which ac-
generosity and patronage, all my dependants sh-
be grateful.

Sir,

I have the honour to submit herewith in continuation of Mr. Duncan's letter R. C. No. 700 of 1915 dated 25th August 1915 a petition from Abdul Qadir Quraishi Sahib, Sub-Assistant Inspector of Schools, Trichinopoly Muhammadan Range, on leave, appealing against the orders of Sir Alfred G. Bourne disallowing in his Proceedings R. C. No. 1891/13, dated 15th April 1913, - vide enclosure 4 to the appeal - the fixed travelling allowance amounting to Rs. 70/- of the Sub-Assistant Inspector in question for the months of April and May 1913

appeal - calling on the present acting Sub-Assistant Inspector of the above range to retrench the amount from the leave allowance of the petitioner. 30

2. Briefly stated, the facts of the case are as follows. In his Memorandum R. C. No. 613 A., dated 24th December 1912 - vide enclosure 1 to the appeal - the Inspector of Schools of the original 5th Circle called upon Abdul Qadir Quraishi Sahib, ^{at the time} Sub-Assistant Inspector of Schools, Madras Muhammadan Range, to explain certain irregularities in connection with the maintenance and verification of the service book of one Thureb Khan Sahib, then Muhammadan Supervisor, North Arcot, who was his subordinate. The Sub-Assistant Inspector's explanation submitted in his letter R. C. No. 8 61/1913, dated 10th February 1913, - enclosure 2 to the appeal - being not only evasive but also largely irrelevant, the Inspector in his letter R. C. No. 613 A. dated 25th February 1913 (copy enclosed) reported the case for the orders of the Director with the suggestion that the Sub-Assistant Inspector should be severely dealt with. After going through the connected papers, Sir Alfred Bourne came to the conclusion that Abdul Qadir Quraishi Sahib betrayed a lack of sense of duty in signing a certificate of verification in the service book of Thureb Khan Sahib without having the previous omissions therein supplied and the entries for the period covered by the certificate brought up to date after due verification; and for this disregard of the rules, it was at first proposed to suspend him for a couple of months, following the punishment awarded in a few similar cases, but on further consideration he thought that a fine equal to two months' fixed travelling allowance would be ^{an} adequate punishment for the Sub-Assistant Inspector's neglect of duty and accordingly ordered the refund of his fixed travelling allowance amounting to Rs. 70/- for

for April and May 1913, being the months in which Sub-Assistant Inspectors of Schools are engaged in annual return work at their head quarters and permitted to draw their fixed travelling allowance without being required to attach the usual tour certificates. Thereupon the Sub-Assistant Inspector prayed for a reconsideration of the above order; but in the absence of fresh grounds in his favour, the petition was recorded in Proceedings R. C. No. 1891 of 1913 dated 20th December 1913 - enclosure 6 to the appeal. Meanwhile, a redistribution of the jurisdiction of the Inspectors' Circles was effected, and seeing that Abdul Qadir Quraishi Sahib still evaded the refund of the fixed travelling allowance in spite of a reminder - vide R. C. No. 327/14 dated 13th September 1914, enclosure No. 21 to the appeal, the Inspector of Schools of the present V Circle, reported the matter to the Director in his letter R. C. No. 327 Tr. dated 10th October 1914, (copy submitted herewith). On receipt of this communication Mr. Duncan again went through the records but finding that there were no extenuating circumstances in the case, he instructed the present Acting Sub-Assistant Inspector to recover the fine from the leave allowance of the former.

It is against the first and third of the Proceedings quoted above ~~that~~ Abdul Qadir Quraishi Sahib has now appealed to Government. The petitioner, it will be observed, while admitting his fault and want of care, contends, however, that Proceedings R. C. No. 1891/13 dated 20th December 1913 in which his appeal for a reconsideration of the orders contained in Proceedings R. C. No. 1891/13 dated 15th April 1913 was recorded, finally disposed of his case and that the question of his fixed travelling allowance raised in Proceedings 1891/13 dated 12th August 1915 would not have cropped but for his appeal to Government against the Director's

orders reducing him to a clerk's post on Rs. 40. Beyond this fact and the argument that the punishment meted out was too severe for the offence committed, no fresh argument has been advanced in support of the present appeal to Government. I would mention here that it is a matter of mere coincidence that his being obliged to refund his fixed travelling allowance and being transferred to a clerkship on lower salary at the end of his present leave have happened simultaneously. As regards the punishment itself, I am of opinion that having regard to the gravity of the offence and the fact that for similar irregularities Sub-Assistant Inspectors have been either suspended or made to lose a few places in their grade, the petitioner should be considered to have been rather leniently dealt with. In these circumstances and in view of the fact that the Sub-Assistant Inspector is not only guilty of dereliction of duty but also of disobedience of orders in that he wilfully drew his fixed travelling allowance for April and May 1913 after the receipt of the orders issued in the Director's Proceedings R. C. No. 1891/13 dated 15th April 1913, and further evaded refunding it in spite of the Inspector's orders calling on him to do so and in the absence of any orders to the contrary from the Director, I am of opinion that the petitioner's appeal deserves no consideration whatever.

I have the honour to be,

Sir,

Your most obedient servant,

Educational Department.

Through,
The Director of Public Instruction,
Mungumbakam - Madras.

Hon'ble Sir,

In continuation of my appeal No A.R dated
1.7.15 submitted to Government through the Director of Public
Instruction, I most respectfully crave permission to send
herewith, the file of Correspondence relating to the Hon: the
Director's resolution to dis-allow my fixed travelling allowance
for the months of April and May 1913 for my alleged carelessness
in verifying the Service Register of one Tural Khan Communicated
to me in Proceedings of the Director of Public Instruction Ref on
C No 1891 of 13 dated 15.4.13 and the final order of the Acting
Director of Public Instruction on the subject passed in
Proceedings Ref on C No 1891 of 1913 dated 12.8.15 and received
by me through the Acting Sub Assistant Inspector of Schools,
Trichinopoly Muhammadan Range on 26.8.15 and to most
humbly solicit a patient perusal of the said file, as it will
clearly convince the benign Government the treatment which
was accorded to me in the Department in return for my
honest and conscientious work and to form their conclusion
in regard to its impartial and unprejudiced and unvindictive
character or otherwise.

2. I most humbly submit that my Conscience
strongly prompts me to bring to the notice of Government
the extremely hard lot of a subordinate officer who has

through wrong of fate and for no palpable fault of his fallen
under the weight of the authorities for reasons which are
either to subvert orders or to question the competence of the
authorities in passing the order regarding the forfeiture of my
travelling allowance.

3. It is respectfully submitted that the
Correspondence would bring in strong relief, the trivial
nature of the alleged fault of mine and the highly dis-
proportionate punishment inflicted on me without bestowing
the least consideration upon my humble misfortunes and
appeals.

4. I am at my wit's end to account for the
in-exorable attitude of the authorities towards me, and their
inflexible determination to cause the complete ruin of myself
and my innocent dependants.

5. I most humbly invite the attention of Government
to my letters R.C No 8 of 13 of 9.5.13 and R.C No 8 of 13
of 12.8.14 (marked 5 and 2 in this file) which should
establish beyond a shadow of doubt that I have not been
responsible for the omission for which I have been so heavily
punished, and that in justice and fairness, the blame in the
matter should rest with others. Is it not my misfortune
in the stated circumstances that I should have been fixed
with the alleged guilt and made a target of the un-ending
shots of the authorities, because it so pleases them. The
cycle of misfortune and reversals that has been revolving
round me for the last few years has eventually contributed
to my disbelief in the existence of Conscience and the day of
reckoning and will perhaps make me infatuated with
agnostic principles.

6. As I misperceived that I might defer the
execution of the order of the Director of Public Instruction until
the disposal of my appeal to him and the Inspector of Schools
of the circle (marked 5 and 2 in the annexed file) I did
not fulfil it but the delay in executing it was not in
derogation of authorities nor in defiance of orders.

7. It is extremely painful that the final order marked 23^{1/2} received by me on the 26th ultimo should have been kept as a Damocles' sword and used against me because I have appealed to Government against the order of my reduction. It is significant that it should have been passed more than a month after the submission of my appeal to Government and that no orders should have been deemed necessary before this for a long period of several months.

8. Para 4 of the Proceedings R.O.C No 1891/13 dated 20.12.13 marked ~~III~~₂ in the annexed file will make it transparent that the matter should have been then set at rest. It is incomprehensible to me that it should have re-opened after the submission of my appeal and culminated in the order marked 23₂ received on the 26th ultimo.

9. In Conclusion, I most respectfully and humbly crave forgiveness of Government and the authorities if this representation which I have made solely with a view to illustrating my deplorable condition and in vindication of the fundamental rights of justice to which I am entitled and not with a view to questioning the powers of the authorities, be viewed to be improper and indecorous.

I beg to remain,

pages 12 & 14 of 20 Sir, With reference to your Ref on C No 613 # 1/12/13, and 4.2.13 (received on 8.2.13) Calling for an explanation regarding the verification of the Service Register of Thural Khan Supervisor of Muzdar: Elementary Schools, North District: I respectfully beg to submit as follows:-

(1) The Service register of the Supervisor was verified upto 31.12.10 by the then Sub Assistant Inspector of Schools, Trichinopoly Muzdar: Range.

The permanent appointment of Thural Khan as 2nd Assistant Scol.: Muzdar: Training School, is noted in the Column 3 of the last page entry of Service register (No 26 marked in red ink).

(2) The entry about his privilege leave from 1.11. for three months is also made in Col: 11 of the last page entry of the Service register and attested by the then Sub Asstt: Inspector of Schools, Trichy Muzdar Range (No 27 marked in red ink.)

(3) The entry about his appointment as Supervisor Muzdar: Elementary Schools, North District, is the Director's proceedings quoted is made and attested by the Head master, Scol. Muzdar: T. School, Madras in Col 13 of the last page end of the Service Register (No 26 marked in red ink)

(4) The Director's proceedings No 6898/10 of 13 appointing Thural Khan Sahib as a Super

of Muslim Elementary Schools, ^{1913.}
in the office of the Sub. Asst. Inspector of Schools,
Madras Muslim Range, when I was on privilege
leave for eleven ~~weeks~~ from 26th April 1911 to 11th May
1911 sanctioned in Proceedings of the Director of Public
Instruction R.C No 24 28/11, of 24.4.1911 and when one
Mr. Abdul Rahman Sahib (a matriculate) Persian
Muslim, Govt. Madras again acted for me. (4)

I beg to assure the Inspector of Schools that I had no
opportunity to see the above Proceedings as well as the
report of the Supervisor of his joining duty at Chittoor.

will tend to prove that it was not seen by me.
papers seen or opened by me will bear my initials &
date. Presumably the paper might have been received
during the Christmas holidays. It would appear that
the paper after registry was not submitted to me for
disposal by the Second Clerk of that Office - presumably
by sheer oversight. To speak candidly, I beg to assure
the Inspector of Schools, that I have not a slight
recollection of the receipt of this paper in the office.

(6) Further I have a recollection that I sent a memo
Munab Khan Sahib when I was in charge of the
Madras Muslim Range requesting him to purchase
another service register for making the entries,
present one was completed.

The current registers transferred to the
Sub- Assistant Inspector of Schools, Bellary Muslim

from the office of the Madras Mission. ^{1913.}
to be gone through to trace out the paper or memo
referred to above.

I am ~~not~~ ^{not} sure whether in the
record of Service of Thural Khan Sahib, the verification
was made with reference to the three appointments
quoted by the Inspector of Schools. A perusal of the
record of Service will however clear the doubt.

(1) The verification of the Service register so far as I was
informed of the particulars of Thural Khan Sahib
may be regarded as correct. The other papers were
not brought to my notice.

I have the honour to be,

Enclosure 4

Letter from the Inspector of Schools, Vth Circle. R. C.
No 613 A/12. Dated 25th Feb 1913. 43

The Correspondence read above relates to the utter carelessness displayed by Abdul Quadir Quraishi Sahib, Sub Asst; Inspector of Schools, Trichinopoly Muzdar Range, in the matter of the verification ^{and the maintenance of the service book & record of} Service of Dhusal Khan. The Sub Asst's explanation is quite unsatisfactory and his submission of the certificate of verification of the service book, when a proper verification of the ^{entries} ~~service~~ therein had not been carefully made in accordance with the instructions issued from time to time, is highly reprehensible. The Director therefore resolves to disallow the fixed travelling allowance of the Sub A for the months of April and May 1913, and he is warned that a recurrence of such neglect of duty on his part will be more severely noticed.

To, The Director of Public Instruction

Through, The Inspector of Schools,
Fifth Circle.

Respected Sir,

I beg most respectfully to submit, that the Honourable the Director of Public Instruction may be graciously pleased to re-consider his order contained in Proceeding No 1891 of 1913 dated 15th April 1913, resolving to disallow my fixed travelling allowance for the months of April and May 1913 and to cancel it in view of the following extenuating circumstances in my favour.

2. The main charge against me that has culminated in the issue of the Proceedings under reference relates to the omission in the service register of Thiruvananthapuram Sahib, S. Pt. Supervisor of Muziri Schools, North Arcot Dt. of the entry re: his permanent appointment from 1. 11. 1910 to 31. 5. 1911 as Second Asst. Govt. Muziri Training School, Madras, as well as that concerning his present S. Pt. appointment from 1. 6. 1911.

With the greatest deference and most profound submission, I beg to state that the omission in question cannot relate back to me and that circumstances to be presently stated, it will be hard if I should be found fault for it.

Thiruvananthapuram Sahib was between 1. 11. 1910 and 31. 5. 1911 under the jurisdiction of the then S. Pt. Inspector of Schools, Trichinopoly Muziri Range (Rahim Sahib D.A.L.T.). It being so, the necessity

page 18 infra

entries relating to me, 4 in 1st November 1913.
by the said officer. Such entries have been made, after his joining the appointment,
Supervisor of North Arcot D.S. viz. those relating to the joining
time should have necessarily been made by my locum
tenens (Mtd. Abdul Rahman Sahib, Persian Mundi, Cook,
Madrasa - i - Azam, Munda Bagh, Madras), as I was then
on privilege leave for eleven weeks from 26.4.1911 to 11.7.11
and he should have on the receipt of the service book from
the S.D. Mtd. Inspector of Schools, Trichinopoly Munda Range
(Mtd. Abdul Rahman Sahib B.A. L. T.) examined it carefully
to see if the proper entries had been made as required by the
rules. If he had done so, he would have returned the Service
Register to the S.D. Mtd. Inspector of Schools, Trichinopoly
Munda Range, for the recording of the necessary entries, and
the omission now complained of, would not have occurred.
In the circumstances, it is most humbly submitted that
I deserve exculpation from blame.

3. When I submitted the return of verification of Service
registers upto 31.12.1911, there can be no gainsaying that
I was overcredulous in believing that all the necessary
entries upto date were made by the officers concerned, as
was then represented to me by my clerk. There can be
doubt that there was a lack of some slight circumspection
and care on my part in the matter which I deplore very much.

Having regard to the fact that I
submitted verification in regard to 45 marginally - not
Service registers, it is ordinarily to be expected, that I
have taken assistance of my clerk and should have
his representation in the matter to some extent and
in the circumstances the gravity of my fault, whatever
may be should deserve to be condoned.

4. With regard to the omission of the
relating to the substantive appointment of Munda
as 1st Mtd. Cook, Munda Training School, Madras, with
prejudice to his officiating appointment as Supervisor,
North Arcot D.S., I most humbly beg to add that in all probability
I would not have come across the order on the subject
my submission of the return of verification.

that my certificate of the verifications of my services 1913.
of Khurab Khan Sahib upto 31st December 1911, has been
deemed to be culpable as it was furnished to the best of my
belief and information.

6. Considering the light and trivial nature
of the fault viz want of a slight care on my part, which
cannot entail any prejudicial or hazardous consequences
affecting any person, I beg most respectfully to submit
that the censure passed on me in the Proceedings under
reference will amply meet the ends of justice and quite
suffice to produce the desired effect, and that the heavier
penalty of the forfeiture of my fixed J.A. 2 months (i.e. 35737½
or 72½ Rs) would be more than commensurate with the
gravity of the offence laid against me.

7. Seeing that I have had extensive
travelling in April by road, and will have no similar
travelling this month, which would cost me heavily coupled
with the fact that these are very hard days for an
officer in my position and pay to make both ends meet
in view of the bulk of my family, the penalty that
I am called on to pay nearly equal to that of a month's
salary would financially cripple me to a tottering
condition.

The order sought to be re-considered,
has engendered in me great mental anguish
leading to a painful retrospect that my honest,
upright, and zealous work in the department. &
since my entertainment in it has not had the
my sheer misfortune its due recognition, but
instead of it I was made a victim to severe &
rigorous treatment.

8. My mental agony has led
me to make this my humble appeal to your
kind and benevolent feelings and to invoke your
consideration of my case and I crave your
indulgence therefore for the liberty taken.

22
9. In Conclusion I may say
pray that you may be pleased to reconsider my
case and to remit the penalty inflicted on me.

I beg to remain,
Respectfully,
your most obedient servant,

Forwarded to the

Inspector.

Letter Ref. on C. No. 613 A. of 1912 dated 25th February
from H. O. Kershaw Esq., B.A., B.Sc., Inspector of Schools,
V Circle, to the Director of Public Instruction.

In submitting herewith the service book of Thurab Kham
Sahib, sub pro tem Supervisor of Muhammadan Schools, North
Arcot District, I beg to bring the following irregularities
on the part of the subordinate Inspecting Officers, especially
the then Sub-Assistant Inspector of Schools, Madras Muham-
madan Range (Abdul Qadir Sahib Quraishi) in its maintenance.

2. Soon after the termination of appointment No. 26
Thurab Kham Sahib was granted privilege leave for three months
from 1st November 1910. Although the Sub-Assistant Inspector
Trichinopoly Muhammadan Range (Abdur Rahim Sahib) made tally
entries against No. 27, these are not complete since columns
3, 8, 9 and 10 are not filled in although he appears to have
the service book to the Headmaster, Government Muhammadan
Training School, Madras. This officer has duly noted the
leave and transferred the service book to the Sub-Assistant
Inspector of Schools, Madras Muhammadan Range.

3. It is the duty of this Sub-Assistant Inspector to
make the subsequent entries; - viz.,

(1) the posting of Thurab Khan to Chittoor district,
and his assumption of charge on 1st June 1911, and the leave
on loss of pay sanctioned on his behalf for one month from
1st to 31st May 1911;

(2) his promotion ordered in Proceedings R. O. C. No.
7915/11 dated 4th December 1911.
(copies of the Proceedings concerning the failure to
communicated to him as can be seen from the order
respondence).

5. Moreover, Mr. Quraishi in R. O. C. No. 9 Pl/12 dated 8th April 1912 of the Sub-Assistant Inspector, Muhammada Range, submitted to you, certifies that the service book of the Supervisor of Muhammada Elementary School North Arcot District, Thurab Khan Sahib, had been verified presumably for the year ending 31st December 1911. This again is an entirely false certificate.

6. The explanation of the Sub-Assistant Inspector which is evasive and largely irrelevant and does not reply to the specific charges is attached.

7. I submit to your kind consideration that he may severely dealt with.

(Signed) H. O. Kershaw,
Inspector of Schools, V Circle.

Letter R.O.C.No. 327 Tr/14 dated 10th October 1914
Herbert Champion Esq., B.A., Inspector of Schools, V
to the Director of Public Instruction, Madras.

I have the honour to bring to your notice that in Proceedings R.O.C.No.1891/13 dated 15th April 1913 the fixed travelling allowance of Abaül Qadi ^{Quraishi} Sahib, Sub-Assistant Inspector of Schools, Trichinopoly Muhammadan Range, of the months of April and May 1913 ^{was} disallowed on account of carelessness displayed by him in the maintenance of the records of Supervisor, Thurab Khan. The Sub-Assistant Inspector appealed to the Director for a reconsideration of his orders which was recorded in Proceedings R. O. C. No. 1891 dated 20th December 1913. It was brought to my notice that the Sub-Assistant Inspector had drawn the travelling allowance and had not refunded it, as he should have done. On an appeal being made the Sub-Assistant Inspector reported that his appeal to the Director had not been finally disposed of. (and the Sub-Assistant Inspector's appeal, enclosure 1). This is quite untrue for a copy of R. O. C. No. 1891/13 dated 20th December 1913 was communicated to him. The Sub-Assistant Inspector was ordered to refund the amount, Rs. 72-8-0 in all into the Treasury and submit the receipt to this office and to explain his disobedience of the orders of the Director (vide enclosure 2). Instead of obeying my order, he again appeals for a reconsideration of the Director's orders. His letter is submitted in enclosure 3.

2. In this appeal he brings forward no new facts; it is merely an appeal ad misericordiam. I request that you will be good enough to instruct the Sub-Assistant Inspector to refund the travelling allowance into the Treasury. His failure to obey the orders of the Director and the order of this office deserves your notice.

his travelling allowance for April May 1913.

The D. I. has in his report dealt with the
points raised in the petition. His conclusions may,

The appeal is against an order of
1913 and may be rejected as long
as it is true. The fact that the sub-
ordinate inspector disobeyed the
order is no reason for extending
the appeal time.
