From (Name) C. S. White Esquire.,

(Designation) Deputy Registrar, High Court. ^{Appellate Side,}

To The Secretary to the Government of Madras,
Educational Department

Hon'ble Sir,

I am directed to forward for the orders of His Excellency the Governor in Council an application, together with its enclosures, from K.V. Ramanayya, 5th Clerk, District Munsif's Court, Chicacole, praying that he may be exempted from the Examination Rules so as to render him eligible to appear for the Civil Judicial and Translation Tests, Lower grade.

Copies of the letters of the District Judge of Ganjam and of the District Munsif of Chicacole recommending the application are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

DESPATCHED.

K. S. V.

Deputy Registrar.

Copy of letter from the District Munsif, Chicacole, to the District Judge of Ganjam, No.2219, dated 28th August 1915.

I have the honour to submit the accompanying application of K. Venkata Ramanayya, 5th Clerk of this Court, for favourable consideration. As appears from the testimonials appended, my predecessors held good opinion of his character and capabilities. I endorse all my predecessors said of him and add that he is easily and by far the most hard-working and capable clerk of this Court. He speaks and writes English correctly and better than an average under-graduate. He has a working knowledge of law and legal procedure. His memory is somewhat remarkable; he can repeat the history of any pending case, without referring to the records. He knows type-writing. His work as the Bench Clerk is very heavy and he does it efficiently and without complaint. He has been really working very hard. He is scrupulously honest and bears good character. Altogether, I can confidently recommend him for the exemption he prays for.

Copy of letter from the District Judge, Ganjam, to
the Registrar, High Court, Madras, No.4224, dated 11th
September 1915.

I have the honour to forward herewith for
favourable consideration the application of K.V. Ramanayya,
a Clerk of the Court of District Munsif of Chicacole, praying
for exemption from the examination rules to appear for
Civil Judicial Test and Translation Test, Lower grade. The
District Munsif under whom he is working, strongly recommends
him for the exemption. A copy of his letter is herein
enclosed.

TO

The District Judge of Ganjan,
BERHAMPORE,

Through

The District Munsiff,
CHICACOLE,

MOST HONOURED SIR,

I, K.V. Ramanayya, Bench Clerk, Original
side, Chicacole District Munsif's Court, respect-
fully beg to represent the following facts:---

1. I have passed the late Lower Secondary
Examination and completed the course prescribed
for the Matriculation. In the year 1906, I passed
the Government Technical Examination in type-writing
of the Elementary grade, and in 1910 the Intermediate
test also.

2. My first appointment on the establishment
of this court was in 1906. Since then, I have put
in very nearly 9 years service in this department.
During this period, I have had opportunities of
working in the Ganjan District Court as Examiner
of Copies, in the Temporary Subordinate Judge's
Court of Berhampore as Typist, and in the Principal
District Munsif's Court of Berhampore as well as
in this Court as Judgment-faircopying clerk, from
time to time. I have been Bench Clerk, Original
Side, of this Court for over four years, ever since
my transfer from Berhampore; and I am thoroughly

conversant

*There is no official
side for the Munsif's Court!*

conversion
in a District Magistrate's Court.

3. I beg to submit that, as 5th clerk of this Court my salary is only RS.20/- a month. If I should be so fortunate as to secure the place of a Typist, for which I have been aspiring ever since my enlistment, I hope to be given a salary of RS.35 or even RS.50 according to the grade of technical examinations passed; but the opportunities of my being appointed as a Typist are too few and far between. As an ordinary clerk that I am, I cannot expect to be given a place even on RS.25, unless I pass the prescribed departmental tests.

4. In this connection, I may be permitted to state that candidates for the School Final Examination who had, like myself completed the prescribed course, and secured the average percentage of marks in certain subjects, have been exempted from the Examination Rules, and have been, in most cases, given opportunities of appearing for the Special Test Examinations.

5. I therefore humbly pray that your Honour may be pleased to recommend to the Honourable the Judges of the High Court to exempt me from the Examination Rules, so as to afford me an opportunity of appearing for the Special Test Examinations, viz, Translation Test, Lower -- and Civil Judicial Test, Lower, for such period as they deem fit.

6. I beg to annex copies of testimonials awarded to me by the various gentlemen under whom I have studied or served, testifying to my work and capabilities.

Municipal High School, Chicacole,

17th August 1910.

I have very great pleasure in certifying that Mr. 7
K.V.Ramaniah, who was a student here for about ~~2~~ ^{about}
six years and who, after completing the course prescribed
for the Matriculation Examination, discontinued his studies
in 1905, was diligent in the prosecution of his studies,
attentive and respectful to his teachers whose good opinion
he invariably gained as he proceeded from one class to the
next higher. After leaving the school, he has learnt Type-
writing privately in which he has passed the Government
Examination of the Intermediate grade. This technical
knowledge has obtained for him an appointment in the local
Munsiff's court, where, I hear, he has been doing good, honest
work. He has opened a class for instruction in Type-Writing
of the Elementary Grade, and the result of the public
Examination last year is very creditable to him, four out of
his six pupils having come out successful. He has done some
type-writing work for myself speedily, correctly and very
neatly, and I do not hesitate to recommend him strongly to any
officer who may require the services of an honest, well-
behaving and intelligent Typist.

in the High School. He was always regular in his attendance and diligent in his studies. He was good at Gymnastics and fairly well up in English.

Since leaving school he has been employed as a Typist in the local District Munsif's court and has passed the Government Technical Examination in Type-Writing of the Intermediate grade. He is a young man of good character, endowed with good expressive power and endued with a strong sense of duty. I shall be glad to learn that he has succeeded in his attempts to secure a technical teacher's place in some Secondary school. Sir,

I beg to forward herewith a petition of K.V.Ramaniah for your consideration. He seems to be a well-behaved young man and has been doing the duties entrusted to him very satisfactorily. My predecessor had a good opinion about him. It appears from records that my predecessor promised to eventually confirm him in the post, and that may have induced him to accept an acting place then, but I could not do so, as V.Dut-channa has to be provided for, and the claims of a man 30 years in service have to be considered.

Sir,

I have the honour to submit for your approval the leave Nomination Roll of K.V.Ramanayya clerk of my court. He has been doing fair copying work of this court by typing very satisfactorily. My predecessor promised to give him a place on RS.15, and when I appointed him to a RS.15 place, the District Court did not approve of it. He has been working in my office receiving ^{pay} which is poor pittance when compared to the work he has been doing. He ~~has been~~ is offered an acting place on RS.20 to RS.25 in the Public Works Department and he applies for six months leave with permission

permission to accept the place. There is no chance of providing him with a better place in my office in the near future, and I have therefore granted him the leave applied for, and request that you will be pleased to approve of it.

C. No. 3370 From the High Court No. 3364/15, dated 29.9.1905.

SUBJECT: Exemption from the examination rules.

para. 3 on p. 5 of C.F.

page 1 of C.F.

The applicant K. V. Ramanayya is the 5th clerk of the St. Munisi's Court, Chicaole. His pay is Rs 20 p.m.

(L) Under art. 1 of the Public Service Notification he cannot be promoted to higher posts without exemption. The current application is ~~not~~ for his exemption from the provisions of art. 1 of the Public Service Notification ~~not for his promotion but only~~ so as to render him eligible ~~from~~ to appear for the Civil Judicial and Translation (lower) tests. This implies that when he passes those tests he is sure to come up for permanent exemption from the provision of art. 1 of the Public Service Notification, since the mere passing of the special tests will not secure for him exemption from the provision of that article.

2. The first question to be decided in this case therefore is whether ^{sooner or later} ~~the Govt. will~~ ^{he prepared to} permanently exempt him from the general educational qualifications. The question of permitting him to appear for the Civil Judicial and Translation (lower) tests is a secondary one.

3. The St. ~~Munisi's~~ ^{Commissioner} says no more than that ^{he is} ~~he is~~ hard working & Capable, that his memory is somewhat remarkable, that he does his work efficiently and without

page 2 of C.F.

without complaint and that he is scrupulously honest and of good character. There are reasons which may be put forward in any application for exemption and it has been held that exemption should not be granted on those grounds. The application appears to be based on purely personal grounds and not in the interests of the public service. It does not appear that any application for the candidate's exemption from the general education qualification based on the grounds now put forward will be entertained by Govt.

4. As regards permitting him to appear for the special test, attention is solicited to para. 1 of the office note on pages 15 & 16 of G.O. 610 of 9.6.15 which gives, in brief, the policy followed by Govt. in granting such permission. As already observed, it does not appear that the application can be justified on public grounds. The Civil Judicial and Translation tests, moreover, are required only for head clerks of Municipals and it will be long before he can become the head clerk. In the circumstances it is for consideration whether Ramanayya may be permitted to appear for the two tests referred to.

5. The remarks of the Judicial Dept. may be obtained w.o. in the first instance.
I don't think the exemption should be granted.
