Sir,

Re the Construction of wings to the Town High School, Guntur.

I beg to inform you that in the original estimate submitted by me on 12th May 1914 teak panelled windows 3' 6" x 4' 6" were provided. The estimate was sanctioned on 22-12-14. Windows as per that estimate were ordered and made ready before the estimate was revised in your office which was communicated to me towards the end of April 1915. I now find that the revised estimate provides for windows 4' 0" x 4' 6" in the first floor. To substitute the ready made ones by others of the sizes in the revised estimate would entail heavy loss. I therefore request your kind permission to use the windows made ready 3' 6" x 4' 6" at an early date as the work is being proceeded with.

I have the honour to be,

Sir,

Your most obedient servant,
