With reference to your memorandum No. 3820-4, Educational, dated 11th February, 1915, I have the honour to state that the manuscript referred to therein contains the same work as that contained in the manuscript which is now being copied under your orders conveyed in *Page 5 Extra* memorandum No. 3820-2 Educational dated 5th January, 1915, and that the manuscript is, as described in the Taylor's Catalogue Raisonné of Oriental Mus. published in 1857, "much injured by worms, so as in some places to destroy legibility". An independent copy of the Ms. will, even if made with considerable difficulty, be of no material use by itself. I, therefore, propose for your approval, that the Ms. be compared with the transcript now prepared, wherever possible, and the variations in reading noted therein in red ink. Particulars regarding size, date, etc of this Ms. will, however, be furnished as for the other Ms., and the cost of comparing also will be reported in due course.

manuscripts should not be taken out of
the Oriental Mss. Library and the Palace

apparently applicable to the manuscript in
charge of the Board of Examiners also.
