To
The Secretary to Government -

Through the Director of Public Instruction
Madras

Sir,
The Committee of the Victoria
Public Hotel Kumbakonam, was at its
meeting dated 13.3.15 resolved to sanction
a grant of Rs 100/- out of its funds for
the ensuing year, towards the cost of
maintaining the Mahamodan and Non-
Brahmin sections in the Hotel, and to
request Government for a grant of a
similar amount for the same purpose.

2. It is essential in a place like
Kumbakonam that there should be
provision in the Hotel for boarding Non-
Brahmin and Mahamodan and other
less advanced classes. The number of
boarders in the Non-Brahmin section was
only 3 during the year 14-15 and in the
Mahamodan section four. The expense
of working such small sections bear
very heavily on the boarders. The Committee
has therefore resolved to make the above
grant towards their upkeep.

3. It is therefore requested that you will be
pleased to recommend to Government the
sanction of a recurring grant of Rs 50/-
a year, or a non-recurring grant of Rs 50/-
for the ensuing year.

3. In view of the very small number of Muhammadan and
non-Brahman students in the hostel there seems ^{to be} little
justification for the opening of a separate section for *maintenance*
them. I am not therefore prepared to recommend ~~the~~ *of: 4.8 infra*

With reference to the D.P.I.'s

page 5 ante endorsement read above it is observed that the present proposal is not one for opening separate sections for non-Brahmins and Muhammadans, but relates to the question of contributing to the cost of sections that exist already, as the number of boarders being small, the charges when distributed among them amount to a considerable sum apiece. The Director is requested to reconsider the matter in the light of this fact and to report on the committee's proposal together with a statement of the actual charges for each member of the two sections at present. *According to* the report on the working of the hostel for 1914-15 the average monthly rate for.

Sir,

With reference to Government Memorandum No. 2675-1
Educational, dated 13th August 1915, I have the honour to
state that if the word "maintaining" had been used instead
of the word "opening" in para 2 of Mr. Duncan's endorsement
N. R. C. No. 4411 of 15 dated 30th July 1915 there would
have been no ground for a misapprehension of the situation.

p. 6 autt

2. As regards the charges for each member of the
Muhammadan and non-Brahman sections, the Warden and Secretary
of the hostel reports that in the case of the former the ac-
tual boarding charges of a member amounted to Rs. 10-15-6
for July last including the 29th and 30th June, and to Rs.

Rs. 8-14-3 for August and that four of the students
been paying a room rent of Rs. 2-8-0 per mensem being in up-
stair rooms while one pays a rent of Rs. 2/- per mensem for a
downstair room; as to the low rate of boarding charges shown
for Muhammadan boarders in the hostel report for 1914-15, Mr.
Statham explains that the Muhammadan section did not work for
several days each month as all the three members were in the
habit of going home during the holidays and that they were ex-
-pted from the liability to meet the establishment charges
other than the pay of the cook.

Regarding the latter or the non-Brahman section which,
it is stated, has been composed of only two students, the war
states that as it is impossible for those students to pay for
a cook they have been permitted, as a strictly temporary mea-
sure, to take their meals in the Brahman section pending sanc-
tion to the grant applied for by the Committee and presumably,
each member in this section is charged as much boarding fee as
a member of the Brahman section.

3. The Muhammadan and non-Brahman members of the hostel
would thus appear to be at a disadvantage, but I am nevertheless
not prepared to recommend the grant asked for by the Committee
on the ground that if any sections are too small to be self-
supporting the hostel should cease to maintain them.

4. The enclosures are herewith returned.
