Sir,

I have the honour to submit that the Principal,
Teachers' College, Saidapet, and the Inspector of European and
Training Schools, Madras, request that their offices may
each be provided with a duplicator machine on the ground that
very frequently a large number of copies, as many as 80 to 100
at a time, of notes of lessons, schemes of work, examination
papers and the like in the College and circulars and other
communications in the office of the Inspector are required
and that it is found in practice, impossible to get with a
cyclostyle, a sufficient number of legible copies. I have

I have the honour to be,
