Reference No. 2011

Station M a d r a s , Dated the 13th October 1915

From

Land Revenue.

The Board of Revenue, Revenue Settlement, etc.

Separate Revenue.

The Hon. Mr. L. E. Buckley,
Commr. of Rev.Sett., Survey, Land Records & Agriculture.

Resolution

Reference. No.2011, dated 13th October 1915.

At the instance of the Collector of Trichinopoly, the Board begs to recommend the permanent exemption from the Upper subordinate test of the College of Engineering of M.R.Ry.M.Sundaresa gastri, permanent accountant of the Trichinopoly Collector's Office and acting Minor Irrigation Overseer in the Trichinopoly taluk, with a view to his being confirmed as Minor Irrigation Overseer.

2. A temporary exemption on behalf of this individual from 3rd July 1914 to 9th June 1915 was sanctioned by Government in G.O.No.132 R., Educational, dated 28th April 1915 and the same was extended upto 8th December 1915

in G.O.No.962 Educational Mis., dated 3rd September 1915. On both the occasions the Collector was asked to replace M.R.Ry.M.Sundaresha Sastri by a qualified candidate as early as possible. The Collector now reports that he has not succeeded in securing the services of a passed candidate though he has advertised the vacancy in the Fort St. George Gazette, the Madras Mail, and the Hindu. The Principal of the Engineering College and the Superintending Engineer, Trichinopoly, who have been consulted by the Collector are unable to recommend any qualified candidate for the post. M.R.Ry.M.Sundaresha Sastri is an agricultural graduate, has put in a service of nearly 20 years and he is reported to be working as Overseer satisfactorily. In these circumstances, the Board requests that Government will be pleased to exempt M.R.Ry.M.Sundaresha Sastri permanently from the Upper Subordinate test of the College of Engineering, Madras.

3. In this connection, the Board begs to bring to the notice of Government the large number of exemptions which have to be applied for on behalf of the Minor Irrigation Staff in various districts on account of the great difficulty experienced by Collectors in recruiting passed men. During the nine months from January to September 1915, ~~1915~~ not less than 3 applications for permanent, and 5 for temporary, exemptions from the Upper Subordinate test have been sought for and sanctioned by Government and 5 temporary exemptions from the Lower Subordinate test had to be granted by the Board and extended for further periods in 3 cases. The paucity of qualified candidates does not appear to be confined to one district or a group of - - similarly circumstanced districts but is apparently felt by Collectors all over the Presidency, applications for exemptions received so far having come from such widely scattered districts as Vizagapatam, Godavari, Bellary, Anantapur, Cuddapah, Chittoor, Trichinopoly and Salem. The Board is not sure whether this state of things is due to lack of qualified men or to the insufficiency of the pay

and prospects of the Minor Irrigation staff in spite of
their recent improvement under G.O.No.2586 Revenue,dated
5th September ¹⁹¹⁴~~1914~~, and ventures to suggest that the Chief
Engineer may be consulted on these points.
