Why was not this noticed in this office?

In this case the scholarship was sanctioned by the Government of India -- please see their letter in G.O.No.1226 Edl., dated 20th December 1913--- apparently without reference to the Secretary of State. It has been also brought to notice that the India Office had no intimation at all from the Government of India of the grant of the scholarship, though in the usual course the latter themselves, when sanctioning the scholarship, should have ~~arranged~~ arranged with the Secretary of State for its disbursement. In these circumstances, it was thought that the matter had better be arranged with the knowledge of the Government of India and through them.

2. A draft despatch to the Secretary of State is submitted for approval.
