My dear Sir,

With reference to your letter.

official of the 2nd inst regarding the question of establishing a Govt. secondary school for girls in Mangalore.

2. Rao Bahadur A. Ramayya Pooja was told in your letter of 29. 10. 15 that the subject of new secondary schools would be considered shortly by the S.P. and a conference of inspectors, but that it was unlikely that the Govt. would be able to make any grant for the purpose during the continuance of the war. It was added that in the meanwhile any proposals which the local public interested might be prepared to put forward in that direction would be the Govt's sympathetic consideration and that if after considering this declaration the proposed deputation still wished to state their case, His Excellency would appoint a date for hearing them on receiving an intimation to that effect.

3. The question of the provision of funds for new secondary girls' schools referred to in your d. o of the 26th ultimo will be examined in connection with the budget.

Yours sincerely
