Sir,

In their order No. 1454 Edl., Ms., dated 19th December 1914 Government sanctioned the further retention for a period of one year of the two temporary teachers on Rs.25 each per mensem sanctioned in G.O.No. 204 Educational, dated 5th March 1913 for imparting private tuition to the widows of the Brahmaro widows Hostel attached to the Government Secondary and Training School, Triplicane. The Inspector of Girls' Schools, Central Circle, reports that as no capable teachers are now available to undertake the work for a salary of Rs.25 per mensem, she has engaged from 1st July 1915 Mrs. Briggs, a

2

Secondary grade teacher who was previously giving private tuition to the widows of the hostel when it was located in Egmore, to do the work of the two teachers on a consolidated salary of Rs.50 per mensem. It is stated that the teacher spends four hours a day in the hostel giving instruction mainly in English and in arithmetic.

In these circumstances, I have the honour to request that you will be so good as to obtain the sanction of Government for the conversion of the two temporary posts on Rs.25 each into a single post on Rs.50 per mensem with effect from 1st July 1915 and for the continuance of the post on that salary for another year from 1st November 1915 on which date the present sanction expires.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

With reference to Government Memorandum No. 3202-2 Educational dated 7th October 1915 asking me to clearly the necessity for the continuance of arrangements made for imparting private tuition to the Brahman Widows'.

girls were admitted into the Infant or the First standard of the Government Secondary and Training School, Triplicane, for which standards only they will be fit, it would take them over ten years to reach the sixth form. But by giving them special private tuition for one year it has been found that at the end of that period they can be prepared for the third or fourth class and that they are also enabled to obtain annual promotion without any further difficulty. In this way not only is there a saving of scholarships for four or five years of the widows' school life, but a thorough foundation is also laid on which it is possible to build up secondary education. As it is hoped that the majority of the widows will eventually become secondary teachers or doctors and as it is very desirable that such of them as show ability above the average should be prepared for subsequent admission to the Women's College it seems highly desirable to arrange for their ^{education} being pushed on as rapidly and efficiently as possible, and for this the system of private tuition is clearly necessary. Without it, it would be impossible for most of them to reach the necessary standard within a reasonable time.

It may further be mentioned that the effect of placing girls of 12 and 13 years of age in the Infant standard would not only be discouraging to the girls themselves but also demoralizing to the school.

2. Miss. Lynch is further of opinion that the services of the private tutor should be retained permanently for the Brahman Widows' Hostel, but I am not prepared to support this proposal while the hostel is still in an experimental stage.

I have the honour to be,

SUBJECT. Conversion of the two posts/^{of} temporary -- teachers on Rs.25 per ~~ann~~ mensem each into a single post on Rs.50 per mensem with effect ~~in~~ from 1st July 1915 and the retention of this teacher for a further period ~~one~~ year from the ~~From~~ 1st November 1915 for imparting private tuition to the widows of the Brahman Widow's hostel, Triplicane.

From the D.P.I. R.O.C. No.5699/15, dated 14~~09~~-1915

Register No. 3202 Edl.

In G.O. No. 204 Edl, dated the 5th March 1913 sanction was accorded to the employment for a period of six months of two teachers on Rs.20 ~~a~~ each per mensem for giving private tuition to the widows of the Brahman Widows' Hostel attached to ² the Presidency Training school for mistresses, Egmore. The retention for a period of one year from 1st November 1913 of these two temporary teachers and the raising of their pay to Rs.25 each per mensem were sanctioned in G.O.No.951 Edl., dated the 14th October 1913. Subsequently in G.O.No.1454 Edl dated the 19th December 1914, the Government sanctioned the retention of these two teachers for a further period of one year.

2. In recommending the retention of these two

teachers, the ~~the~~ D.P.I. in November last stated ~~in~~

Govt. Secondary
Training School for

that he had under consideration a proposal from Miss Lynch suggesting the employment of a full time tutor on Rs.75-5-100 in lieu of the two temporary teachers, but that the matter had ^{not} then passed the stage of discussion and that he would address Government as soon as he had come to a definite conclusion. The D.P.I. now states that the Inspector of girls' schools, central circle, reports that, as no capable teachers are available for Rs.25 per mensem, she has engaged with effect from the 1st July 1915 one Mrs. Briggs, a secondary grade teacher, who was previously giving tuition to the widows of the hostel when located at Egmore, on a consolidated pay of Rs.50 p.m. The Director accordingly requests sanction to the conversion of the two temporary posts on Rs.25 each into a single ~~xx~~ post on Rs.50 p.m. with effect from the 1st July 1915 and to the retention of that post on the same salary for another year from the 1st November 1915, on which date the sanction accorded in G.O. 454 Edl dated 19-12-14 expires.

3. The D.P.I.'s proposal to convert the two posts on Rs.25 each per ~~menssem~~ mensem into a

single post on Rs.50 per mensem may, in the circumstances stated, be sanctioned with effect from the 1st July 1915.

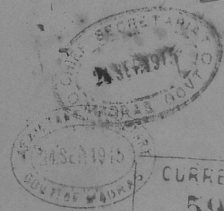

As regards the retention of the post for another year from the 1st November next, the Director has not adduced any reasons justifying ^{the} apparently fresh widows are constantly being admitted who are quite unfit to join the school and who have therefore to be taught at home until they are fit to be sent to the school. In this view the continuance of the post for another year seems necessary and may it is submitted be sanctioned, subject to the usual condition that the summer vacation of the school should be ^{excluded} ~~extended~~ in reckoning the period of employment of the teacher.

4. In regard to the provision of funds, there is a full year's provision in the current year's budget and for next year the D.P.I will apparently include the necessary provision in the budget for 1916-17.

5. A draft order is submitted for approval. If approved it may be sent u.o. to Financial for ~~acceptance~~ acceptance.

The sanction accorded in G.O. 1452 Eol 3 the 19.12.14. lapsed till 1.11.15]

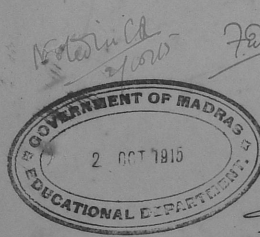

This is so.

As regards to the sanction continuance, I would say nothing about this point in the draft. All

The school has been running for 2½ years & presumably there have been teachers for it. First they were on R 20, then on R 25 & at these rates people were presumably found. Now it is proposed to adopt R 50 which the D.P.I. has said is a fair price. The next step will be to say that one teacher is insufficient. No funds whatever have been given to support the demand for continuance. I would call for various tips food ones are given would sanction an extra not costing more than R 50 for another year having the D.P.I. to employ that sum as he sees fit.
