G.O. No. 1268 Ede

DATED 23. 11. 15

[Despatch Abstract.]

Declining to exempt C. Rajaratna
Mudaliar from the type-writing
test

Remarks.

The typist appeared for the examination of 1914, passed the theoretical test but failed in the practical test subsequently held; appeared again for the Examination in 1915 when unfortunately he failed to secure a pass. In consideration of the satisfactory work that he has been and is turning out, both as a typist and in general office work, his vast office experience of 17 years his age (40), it is ~~advised~~^{recommended} that he may be permanently exempted from passing the examination. He was holding the ^{2nd} Class post of this office till 20.9.13 and when the revised scale sanctioned in G.O. no. 1518 dated 20.9.13 came into force he was ~~removed~~^{transferred} to a place of the typist sanctioned

In 1913, the Sanitary Board applied for the exemption of its office typist C. Rajaratna mudali ~~for a period~~ temporarily until he passed the typewriting test. But the Govt sanctioned the exemption for a period of two years. The typist appeared for the test twice and failed to secure a pass. The San^y. Board now applies for the permanent exemption of the typist on the score of his satisfactory work and vast office experience of 17 years. It is stated that the typist was only a clerk on Rs 20 in the San^y. Bd's office up to September 1913, and that he was subsequently appointed typist in the post newly sanctioned in Eo. 1575 L dated 20th Sept. 1913, as the pay of his appt was raised to pay post filled in by a passed candidate. Submitted that the file may be

passed on to Col. Dept for the issue of orders with the views of this Dept. on the proposed exemption. Perhaps, it will suffice to recommend only temporary exemption for another year or two.

MR Submitted that in view of the strong recommendation made by the San. Bd., the clerk being perhaps be permanently exempted.

MR President, as my or to Mr. please. When typists are exempted upon a special exemption?

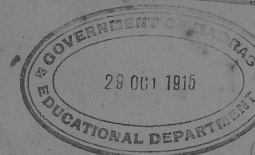

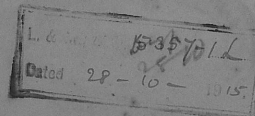

Submitted that the Col. Dept may be requested to put up precedents sanctioning or refusing exemptions in favour of typists. (Such orders issue from Col.).

I do not recommend the exemption, if the man could pass the practical type-writing test, he is strong and fit for a good class type-writer on As 20-1-55. It is probably decided to enable him to keep on in the office in some other capacity, while drawing pay 7 as a typist.
