To,

The Secretary to the Government of Madras,
Educational Department,

Through,

The Director of Public Instruction,
Ningumbakam, Madras

Hon'ble Sir,

I beg most respectfully to ~~represent~~ submit the following representation in regard to my most deplorable and unfortunate condition in the hope that your honour may be graciously pleased to exercise your mercy & benevolence in my favour the most unfortunate and accursed individual.

- (D) 2. The copy of G. O. No. 1134 Educational (H's) of 11-X-15 on my ill-advised appeal, furnished to me by the Dir's Res. Ref. on C. No. 700/15 of 21-X-15, has been a death blow not only to myself but also to my wife & children who are 9 in number and its effect is to completely deprive my innocent wife & children of their means of subsistence.
3. There can be no doubt that the Hon. Mr. J. H. Stone, M. A., C. S. J., the present D. P. J., has been very kind & merciful towards me from the beginning of my trouble and has given me an option to retire on pension which as my ill stars would have it, I was not fortunate to get as the Medical Officer found me fit for further service. On finding that I was not retired on pension, his honour the Director of Public Instruction, gave me an appointment of Rs 40 a month in his honour's office. Even this benevolence on his honour's part was unavailing owing to my misfortune.
4. When I have been overpowered with great grief & sorrow owing to my terrible misfortune & when I have been smarting under the consciousness that my ill luck brought me life-long ignominy & dishonour & my mental faculties were impaired & rather deadened, some of my advisors who were interested in & sympathetic for me, had the appeal prepared & asked me to submit to Government. In the then state of mind, I was not able to appreciate the

4. the grave blunders I was committing by appealing!

In view of your honor's wide experience, it will not be difficult for your honor to conceive that I should have then been a fool in the hands of my advisers. I do not think that it is possible for me to convince your honor of the said method state of my mind & how I was influenced to do things without any forethought that my advisers had methods.

Now I beg your honor's forgiveness for the past & most humbly pray for the exercise of your honor's clemency in favour of my innocent wife & children.

5. Of the order of dismissal stands, my whole life will be marred, & I will not be able to earn any living for the sustenance of my poor family even at the hands of private individuals.

6. I most humbly pray therefore that your honor may be pleased to cast glance of mercy & pity on my poor & distressed circumstances, & in view of my long service of nearly 19 (nineteen) years under the Government (i.e. as a clerk in the Revenue Department, from 12-8-1876 to 4-11-1906 & as a Sub-assistant Inspector of Revenue & Districts, from 5-11-1906 to 22-12-1910) be good & charitable enough to convert the dismissal order into one of acceptance of resignation, in case the reduction to a clerk's post or to a clerk's post most leniently made by the Honorable the Director of Public Instruction, is not ordered by the Government.

By this act of charity & leniency on the part of Government, I shall be able to protect myself & my children.

I beg to remain,

Hon'ble Sir,

your honor's most obedient & humble servant,

Abdur Raziq Qureshi.

latey Sub-Asst. Inspector.

SUBJECT. Pethari from Abdul Quadir Quraishi

 muhammadian schools requesting a reconsideration
 of the orders of Govt. dismissing him from service
 From the D.P.O. no 700 & 5 11.15

Register No. 3884 EdL

Submitted for orders. No new facts have
 been brought forward. The petitioner regrets
 for his folly in having appealed to Govt. against
 the D.P.O.'s second order reducing him to the
 post of a clerk or R. ko and throws himself
 at the mercy of Govt. If this order ~~is~~
 cannot be reversed, he requests that the dismissal
 order of Govt. may be converted into one of
 acceptance of resignation.

Petitioner was found guilty of a
 series of gross offences against
 morality, to which he ~~was~~ his
 advisers added an attempt at
 bribery. The D.P.O. treated him

same and converted the order of
dismissal into one of retraction.
He would wish that an appeal
was likely to result in a
restoration of the original order,
as it did. The man was fortunate
to escape prosecution. I don't
think that can return as a person
guilty of such offences in service
in any form. Nor does it seem
right to accept his resignation.
To do so would imply that his
offence was a minor one not
requiring dismissal.
