To The Secretary to the Government of Madras,
Educational Department.

Sir,

With reference to item 7 (b) of the audit inspection report of the Accountant-General communicated to me with G.O. No. 1036 Edl. dated 21st September 1915, I have the honour to explain that no garden is maintained in the compound of the Leather Trade School. During the construction work of the tannery a few green trees were planted in the compound of the school and one of the coolies on regular work was employed to water the trees and no additional expenditure was incurred on this account. The Officer in charge of the works calls this man a gardener being unaware of the technical difficulties
