Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment from 1st November next of a matron on Rs 20/- per mensem in the Hindu hostel attached to the Government Training School for Mistresses, Karuntattangudi.

2. In their order No. 33, Educational, dated 9th January 1915 Government sanctioned the employment of a common matron for the supervision of both the Indian Christian and Hindu hostels attached to the above school on a consolidated allowance of Rs 28 per mensem and also the employment in the Hindu hostel of a cook on Rs 6 per mensem as a special case for

a period of one year. The Inspectress of Girls' Schools, ^{now} Central Circle, reports that as the number of students in the Indian Christian hostel has risen from 20 to 35 the matron is unable to do any other work than manage this hostel and that the employment of two additional cooks for this hostel is necessary. As regards the Hindu hostel it is stated that the number of students has risen from 3 to 9 and that 9 more are ready to join as soon as special arrangements are made for the boarders. The Inspectress considers that a separate matron for this hostel is necessary as a single matron finds it difficult to supervise both the hostels and as the Hindu students object to the matron of the Christian hostel being in charge of their hostel as well. As there are two distinct classes of students in the Hindu hostel, viz. vegetarians and non-vegetarians a second cook is also considered necessary. It is reported that the average monthly boarding charges amount to Rs 6 for each member of the Christian hostel and Rs 6-8-0 for each member of the Hindu hostel.

In view of the accession to the strength of the two hostels I consider that a separate matron on Rs 20/- per mensem is necessary for the Hindu hostel but that any charges on account of the extra cooks that may be required in both of them must be paid for by all the boarders, the Christian and the Hindu students alike contributing towards the cost.

3. The extra charge for the four months in the current year amounting to Rs 80 can be met from the savings under guardian allowances. I request that if the proposal is approved the necessary provision may be made in the Budget Estimate for 1916-1917.

I have the honour to be,

G. Krishnamoorti

Last year while proposing
 the employment of a single matron
 for the two hostels attached to the Govt.
