From (Name) The Hon. Mr. J. H. Stone, M.A.F.R.H.S.C.I.B.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

/Through Educational Department/
the Accountant General/

Sir,

As the sanction accorded in G.O.No. 1342 HdL., dated

(A) 27th November 1914 to the retention of the additional teacher on Rs.10 per mensem in the Government Girls' school, Namakkal expires with the 1st December 1915, I have the honour to recommend that the Government be pleased to sanction the retention of the teacher for a further period of one year from the 2nd December 1915.

2. In this connection the Inspectress of Girls' Schools, Southern Circle reports that the Infant and First standard

in the school which have a strength of 78 and 62 respectively have been working in two sections each and that the Second standard which is now 45 strong has also to be divided into two sections and Miss ^{Sarkison} ~~Lynch~~ ^{Thurston} recommends not only the continuance of the temporary teacher on Rs.10/- for another year from 2nd December 1915 as already stated, but also the employment of an additional teacher on Rs.12 per mensem from the 1st idem for the charge of the additional section of the Second standard!

3. The present staff of the school consists of eight teachers, viz., one each on Rs.30, 20, 14 and 12 and two on Rs.10 each per mensem on the permanent establishment and two on Rs.10 each on the temporary establishment, the second temporary teacher on Rs.10 having been sanctioned in G.O.No. 491 Edl., dated 7th May 1915. From the enclosed statement showing the strength and attendance of the several classes and the distribution of work among the staff it will be observed that the employment of an additional teacher on Rs.12 per mensem for the second standard is necessary. I accordingly beg to request that sanction may be accorded to the employment for a period of one year from 1st December next of an additional teacher in the school on Rs.12 per mensem.

I beg to state that provision for the continuance of the temporary teacher on Rs.10 referred to in para 1 above has been made in the current year's budget and that the charge during the ~~another~~ ^{current} year on account of the additional teacher now proposed can be met from the savings anticipated under the provision for salaries for Government Schools, general girls schools in the current year's budget, and to request that the necessary provision on account of the additional temporary teacher now proposed may be made in the Budget estimate for 1916-17.
