2. As regards the transfer of funds from the provision of Rs 10,610 for construction a compound wall for the Municipal Secondary school, Botacamund, proposed by the D.P.D., it may be noted that this amount which was provided in the budget under the head 45 Civil Works - P.W.D. - Works in charge of Civil officers acting as P.W. Disbursers, was transferred to the head 22 - Education in G.O No 284 Fint dated the 23rd April 1915. The estimate of Rs 10,610 having been reduced by the P.W.D. to Rs 4,600, the latter amount was paid to the Municipal Council of Botacamund for carrying out the work. The balance of Rs 6,010 has since been resumed by the Financial Department. Thus no funds are available for transfer from the provision made for improvements to the Munl. Secy. School, Botacamund.

It may be observed in this connection that an expenditure of Rs 3,710 proposed for the installation of electric lights and fans at the Coffer House, ^(Madras College for Women) was sanctioned

The raising of the compound of the
Nansen's College has, it is understood,
been postponed and the retaining wall,
which is temporarily to take its place,
appears to have been completed. The C.W.D.
appear to have found funds for the
electric light fitting, and the allotment
for the municipal school at Gilly has been
shared or resumed. Apparently there is no
need to resume the allotment for acquisition
of a site for the Parnagh and Chellogh garden
suburban elementary school. If the
summary is correct the D.P.O. may be
informed accordingly.
