Through the Accountant-General,

Sir,

In G.O. No. 724 Financial dated 30th October 1905 a permanent advance of Rs. 1000/- was sanctioned to meet the current expenses in connection with the various operations then conducted by this Department; and as the work developed the advance was raised to Rs. 1250/- in G.O. No. 197 Financial dated 13th March 1906. When the Chrome tanning Department and the weaving factory at Salem were shut down at the end of 1910 I surrendered Rs. 750/-, as provision to meet the contingent expenditure of the pumping and boring department had already been made from other funds in my capacity as Public Works Disburser. Of the remaining Rs. 500/- I have lent a sum of Rs. 250/- to my

Director of Industries.

OFFICE NOTE.

SUBJECT. Permanent advance of the
Director of Industries.

From the D.I. No A 13, of 15. 10. 15

Register No. 3638.

para 1, pgs 1 & 2 of.

para 2, pgs 2 & 3 of.

The permanent advance of Rs 250 asked for for the weaving & dyeing departments may, it is submitted, be sanctioned.

2. As regards the permanent advance of Rs 2000 applied for by the Director of Industries for the Pumping & Booring Department, it is submitted that the Finance Deptt have recently proposed to ask make a slight alteration in the system of drawing money from the for expenditure by the Director viz, to allow him to endorse contingent bills in favour of private parties & contractors. The file on the subject was sent to the Revenue Deptt. It is not known whether

It is understood that Revenue have issued an order to the D.I. asking him to see system to meet his difficulties.

the introduction of this system will enable the Director to get on with a smaller amount of permanent advance. The Revenue Dept. may, it is submitted, be consulted on this point. If, however, the whole of the permanent advance may be sanctioned, the draft order placed below is for approval. *Stk* The proposal does not require the acceptance of the Financial Dept.

The advances now asked for are

Dyeing exhaust and Supt. of	
hairpatric weaving factory	250
Pumping and Boring	2000
Director's other work	500

I am not convinced of the necessity of this large increase and, in view of Mr. Trenchard's general disregard of account rules, would be disposed to keep as tight a hand as possible on this. Perhaps the whole of the 1250 would suffice.

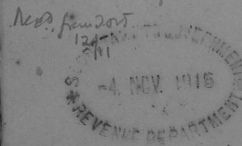

Will Revenue please advise?

As regards the proposal to endorse Contingent bill in favour of parties referred to at p. 1. supra the Tender has replied that it will be difficult for him to maintain the Civil System of accounts, that it will lead to duplication of accounts and that if the civil system is to be followed he should be given an additional accountant for maintaining the accounts. But even this system involves pre-audit by the Accountant Genl. In view of the facts set out in para 2. of the Director's letter it is for consideration whether any increase in the permanent advance will be sanctioned.
