Sir,

I have the honour to request that you sanction an expenditure of Rs.600 for the space required for the exhibits of the School of Arts at the People's Park Fair and Exhibition.

There is no money available in the School of Arts budget, so provision will have to be made in some other manner.

I enclose an extract from a letter recently received from Mr. S.D. Pears on this subject.

Extract from a letter received from Mr. S.D. Pears,
dated 25-10-1915.

"Sir Harold Stuart informs me that Government will pay
for the buildings erected for the accommodation of the Govern-
ment exhibits at the forthcoming People's Park Fair and
Exhibition.

He instructs me to write to you to ask that you will
please apply accordingly to Government to provide the funds
for the purpose from your Departmental budget. You already
know the floor area that has been allotted to you. For
budget purposes you may assume that the cost of it will be
eight annas per sq. ft. "

Dear Mr. Hadaway,

I am afraid my last letter was not clear.

Govt decided some time ago, as you know, that the expenditure connected with the obtaining and marshalling of the exhibits would be borne by Govt. But it has only just been decided that Govt. will pay also for the buildings which are to accommodate the exhibits.

g. & h. has been decided
7/11/15
9-11-15
In fact even now no G.O. to that effect has been issued (though I suppose it will be some time or other) and all that I know is that Sir Harold Stuart has told me to tell everybody this, and also to tell ~~them~~ that he has issued orders to the Chief Secretary to comply with applications for funds. The Director of Public Instruction did not know this when he refused your application for funds.

The Victoria Technical Institute not being a Government concern, Sir Harold Stuart decided that it should go in under the wing of the School of Arts. Therefore in applying for funds for the building to accommodate the latter, please ask for enough to cover the cost of the building to accommodate the former also.

I have asked Henderson to apply for the funds necessary for the housing of the "Village Industries" section.

Yours sincerely,

S. D. Rao.

From

To

The Director of Public Instruction,

MADRAS.

Sir,

In continuation of my letter R. C. No. 546/15 dated 18th October 1915 which you returned to me with your Proceedings N. Dis. on C. No. 8393 of 1915 dated 25th October 1915, I have the honour to again ask for funds for the purpose of the "Village Industries" exhibition.

I may explain that since my first application, it has been decided that the carriage of exhibits to Madras, from the districts is to be paid here.

We will, therefore require Rs. 1000/- instead of the amount (Rs. 500/-) asked for in my first letter.

There are no funds available in the School of Arts budget for the purpose, and no re-appropriation is possible.

I enclose a letter from Mr. S.D. Pears for your perusal and return.

The amount now asked for, has nothing to do with the payment of space for exhibits, for which a separate communication has been addressed to you.

I have the honour to be,

Sir,

Your most obedient servant,

W. S. Hadaway.

Superintendent.
