GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 15th November 1915.
No.—7207.

I have the honour, by direction of the Syndicate, to request the sanction of the Government under section 25 (1) of the Indian Universities Act, 1904, to the following transitory regulation adopted by the Senate at its adjourned meeting held on the 23rd October 1915:—

“Every college affiliated to the University in group (iv) Psychology, Ethics and Logic or a language, and in group (v) History and Economics, of the courses for the B.A. Degree examination, shall, before March 31st, 1916, be required to declare in what languages it proposes to offer instruction under the regulations for those groups, and shall satisfy the Syndicate that suitable provision has been or will be made for imparting instruction in the languages selected. Every college making such declaration and so satisfying the Syndicate shall be entitled to be regarded as affiliated to the University in the language or languages selected, for the purpose of giving instruction therein in accordance with the regulations for those groups of the courses for the B.A. Degree examination.”

2. The introduction of the study of a language as an optional subject in groups (iv) and (v) of the B.A. Degree courses, which was adopted by the Senate on 21st March 1914 and sanctioned by the Government in G.O. No. 448, Educational, dated 23rd April 1914, has made it necessary to provide for the affiliation of colleges in languages in respect of those courses. The Syndicate decided that the principle underlying Transitory Regulation, 418, by which provision was made for the affiliation of colleges in the several courses of the new regulations, might conveniently be applied to the present situation. Accordingly the proposal for which sanction is now requested was presented to and was adopted by the Senate.

3. Intimation of the proposals of the Syndicate in this matter was given to each of the affiliated colleges, so as to prepare them for taking the necessary action should the transitory regulation receive final sanction. I have to request, however, that early orders may be passed on this matter, so as to avoid the possibility of any inconvenience to the colleges concerned.

Order—No. 1295, Educational, dated 27th November 1915.

Under section 25, sub-section (1) of the Indian Universities Act, 1904, the Government sanction the transitory regulation proposed in the Registrar's letter read above.
