Sir,

I have the honour to state that Government were pleased to inform this Taluk Board in their order No.242 M.S., dated 2-3-1914 that its request for a grant of Rs.6,640 for equipment of its elementary schools was noted for consideration when funds would be available. Subsequently they requested the Director of Public Instruction also in their order No. 80/Edl M.S., dated 27-1-1915 to include the grant in his proposals for the utilisation of the savings in the subsidies to Local Bodies for the last official year - -

year (1914-15). The Director of Public Instruction informed me however, that there were no funds available then for the purpose (Vide his letter Dis No. 1690 of 1915 dated 23-3-15 (Copy enclosed). Similar orders were received from Government also (G.O.No. 290 Mis., dated 15-3-1915. *103 in for*

2/. Now in para 3 of their order No. 744/Edl dated 7-7-1915 the Government observe that there are savings in the Educational subsidies for the current year and have addressed the Director of Public Instruction in the matter. I have the honour to request therefore, that you will be so good as to press the question of a grant for equipment to this Board for the consideration of Government, from these savings. A full explanation for the need for the grant will be found in my application to Government C.No. 42/S.O of 1914 dated 25-1-1914. *103 in for*
