I have the honour to request that you will be so good as to obtain the sanction of Government for the institution, at a total cost of Rs. 180, of a special course of 12 lectures on 'First aid and sick nursing' to the students in the Madras College for women. The Principal of the College reports that last year (Mrs.) Dr. Simonsen delivered a course of lectures in the College gratuitously and that the lectures were well attended and the results were good and she requests sanction for the delivery of a similar course of lectures this year. The Principal wishes that the students should take part in the ensuing Ambulance competition if possible.
