Sir,

The scale of staff sanctioned for the Government Girls' school, Kollegal, consists of four teachers on Rs.14, 12, 10 and 10. The Inspectress of Girls' Schools, Southern Circle, reports that Kollegal being a malarious tract the school has never been staffed with qualified teachers, and that at present the posts of Headmaster and 2nd Assistant are held by a husband and wife who have been working steadily all along, while the remaining two posts have been either vacant or filled by unqualified men or women all along. Consequently she urges that some special consideration should

shown to the teachers employed in this school in view of the unhealthiness of the locality and that the scale of salaries of the staff should be raised from Rs.14, 12, 10 and 10 to Rs.20, 15, 12 and 10, so as to render it possible to secure the services of another qualified couple for the 1st and 3rd Assistant's posts. //The Inspectress's proposal seems not unreasonable, but I do not support her recommendation that the scale of salaries should be raised. The proper solution of the difficulty pointed out would seem to be to grant to the staff a local allowance which will be in force only so long as the teachers are employed at Kollegal. I have the honour accordingly to request that you will be so good as to obtain the sanction of Government for the grant, with effect from 1st April 1916, of a local allowance of Rs.4 per mensem to the Headmaster and of Rs.2 per mensem to each of the other three teachers. The extra cost involved by the proposal will be Rs.10 per mensem and I request that if my recommendation is approved the necessary provision may be included in the Budget estimate for 1916-17.

I have the honour to be,

S i r,

Your most obedient servant,

B. K. L. L. L.

Register No. 3753

It is well known that it is difficult to get qualified women teachers generally and the difficulty ^{ought to be} greater in a malarious tract. The D.P.O. seems to have made out a case for the grant of a local allowance aggregating Rs 10 p.m. to the four teachers employed in the Kollegal girls' school. His proposal may, it is submitted, be approved.

2. A draft order is submitted for approval. If approved, it may be forwarded to the Financial Dept. U.O. for acceptance.

corresponding amount. The file on the subject is now in Financial B. In the present case, the local allowance is proposed in view of the unhealthiness of the locality and will be in force only so long as the teachers are employed in Kollegal. In view of this fact and in view of the general reorganisation of Govt. girls' schools, the proposed local allowance may be sanctioned with effect from 1st April 1916.
