From--J.A. Chapman Esq., Librarian, Imperial Library.

To----The Secretary to the Government of India, Department
of Education, Simla.

I have the honour to inform you that I have learnt incidentally that the Government of Bengal, Political Department, have discontinued sending copies of the Bengal Quarterly List of Books to Dr. Lucian Scherman, Munich, and it is probable that the other local Governments have done the same. Dr. Scherman is the editor of 'Orientalische Bibliographie', a bibliography compiled with characteristic German scientific thoroughness, a work invaluable to Orientalists of all countries, to Librarians, and through them to students, especially students in India. If the Government of India should be unwilling to make special arrangements for the despatch of copies of the lists to Dr. Scherman, may I be authorised to collect copies from all the Provinces on his behalf, and to keep them until such time as there may be no longer an objection to their being sent to him? Deprived of the lists Dr. Scherman will either have to delay the publication of two or three volumes of 'Orientalische Bibliography', or publish it in a seriously defective form.
