NOTES.

OFFICE NOTE.

SUBJECT. *Uthirahin* on the construction of the girls' school building at Alwarthirunagiri, Rs 1400 out of the savings in the subsidy sanctioned in 1913-14 and 1914-15 for the additional sessional school, Tirunelveli.
From The P. D. B., Tirunelveli, no 31, D 23. 11. 15

Register No. 4186 Sol

Submitted that in the circumstances explained by the President, the proposal to utilize, on the construction of the girls' school building at Alwarthirunagiri, ^{Rs 1400 out of} the savings in the subsidy sanctioned for the additional sessional school during 1913-14 and 1914-15 may be approved.

It is observed that it is now more than two years and a half since the employment of a B.A. L.T. on Rs. 60 per mensem in the sessional school was sanctioned under no. 889 L., dated the 16th May 1913 and the President states that he has not yet been able to ^{secure} an L.T. for the post. In these circumstances it appears very doubtful whether a trained graduate could be got for this pay hereafter at least. ~~In these circumstances~~ It appears therefore necessary to consider whether the pay of the post should not be raised in order

to attract L.T.'s or whether it would be sufficient to employ trained matriculates on lower pay. The D.T. I. may be consulted as to.

3. A draft order is submitted for approval with reference to para. 1. After its issue, the file may be sent on to the Director with reference to para. 2 supra.

I think the District Board has the whole question of re-organizing the training schools under consideration. If so they will shortly deal with the question of the pay of the teachers in that connection.
