AS the sanction accorded in G.O.No.22 Educational, Mis., dated 7th January 1915 to the continuance of the additional Sanskrit Assistant on Rs.100 per mensem in the Presidency College expires on the 16th December 1915, I have the honour to request that you will be so good as to obtain the sanction of Government for the retention of the post for a further period of one year from the 17th December next pending the further consideration of the proposals for the affiliation of the College in Group VI of the B.A. Course and in Branch VI of the B.A. Honours. The number of students receiving instruction in Sanskrit in the College is given in the margin. Though this number cannot be considered large still the abolition of the post would prevent the satisfactory completion of the course of those students who have already entered upon their Sanskrit studies and would be contrary to the Government's declared intention of encouraging the study of Sanskrit in the College.

Provision for the charge exists in the current year's budget and has been repeated in the Budget Estimates for 1916-17.

I have the honour to be,

Sir,

Your most obedient Servant,

G. K. S. Srinivasan

for Director of Public Instruction.
