EDUCATIONAL DEPARTMENT.

At the meeting of the Legislative Council held on 2.2.15, the same add Member asked a question whether any arrangements being made for opening dormitories during the year 1916-17 and the following hostels for the use of the Presidency College and Law College.

170.— Will the Government be

pleased to provide additional hostel accommodation to the students of government Colleges in Madras in Law, Engineering and Arts, during 1916-17?

College. Attention is directed to the notes in that connection. No proposals have been received by the Govt. It may be noted that it has been decided to reconstruct Hospital buildings for the purpose of hostels for the students of the Colleges in Madras including the Law College, but that it will take a long time before this scheme is effected.

2. As regards the Engineering College submitted that pending the construction of new buildings at Guindy a temporary building about 50 students has been opened in a building.

Educational Dept.

At the meeting of the Legislative Council held on 2nd February last, the same Additional Member asked a question whether any arrangements were being made for opening during 1914-15 and 1915-16 additional hostels for the use of the Presidency College and Law College ~~Students~~ Students. He was told in reply that there were then no definite proposals before the Govt. for the provision of additional hostels and that the temporary arrangements sanctioned for the Engineering College Students might increase to some extent the accommodation available at the Victoria Hotel for the Students of the Presidency College. Attention is solicited ^{in this regard} to the notes written in that connection. No proposals have since been received by the Govt. It may, ~~however~~, be noted that it has been decided to reserve the General Hospital buildings for the purposes of hostels for the Students of the Colleges in George Town including the Law College, but that it may take a long time before this scheme is given effect to.

2. As regards the Engineering College it is submitted that pending the construction of the new buildings at Rumby a temporary hostel for about 50 Students has been opened in a rented building.

3. The necessity for additional hostels for the Students of the Presidency and Engineering colleges is apparent from the facts that in the former institution 270 Students lived in 1914-15 either in separate lodgings or in lodgings rented jointly by several Students or in single rooms, and that in the latter institution provision has been made only for about 50 Students out of a total of more than 400. The Law College contains about 500 Students and has not been provided with a hostel.

In this connection attention is invited to the following extract from the report of the Special Committee appointed by the Senate to enquire into hostel accommodation for college students in the City:—

"We note with regret that out of the 1103 Students who are obliged to live under the conditions above referred to, as many as 840 belong to the Law College, the Presidency College, the Engineering and the Medical Colleges. As the Law College, the Presidency College, and the Engineering and the Medical Colleges are institutions maintained and controlled by the Govt., we have no doubt that if a representation be made to the authorities satisfactory arrangements could easily be made to provide boarding and lodging accommodation for at least a good number of the 840 Students belonging

The following draft Dec. to the D.P.I. is submitted for approval:—

My dear Stone,

The Hon. Mr. Narasimhaswara Sarma proposes to ask at the next meeting of the Legislative Council whether the Govt. will provide additional ^{hostel} accommodation to the students of Govt. College in Madras in Law, Engineering and Arts during 1916-17. H. E. desires that you should speak to him on the subject.

Yours sincerely

The Hon. Mr. J. H. Stone, C.I.E.
