University Regulations.

Sanctioning certain transitory regulations of the University of Madras providing for the holding of the F.L. and the B.L. Degree examinations under the old regulations in October 1916 and 1917 in addition to the usual examinations in April.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 16th November 1915.
No.—7269.

I am directed by the Syndicate to request the sanction of the Government to the enclosed transitory regulations, numbered 221-A to 230-A, which were adopted by the Senate at its adjourned meeting held on the 23rd October 1915.

2. These transitory regulations are intended to provide for the holding of the F.L. and B.L. Degree examinations under the old regulations in October of the years 1916 and 1917, in addition to those already provided in April of those years, for the benefit of candidates for the B.L. Degree who commenced their studies under those regulations.

3. It will be observed that the provision made by these proposed transitory regulations corresponds to that of the old regulations except in the matter of dates and of the fees to be paid. The increased fee of Rs. 40 for the October examinations as against the existing fee of Rs. 30 for the April examinations is intended to secure the University against any loss of profit due to duplicating the arrangements and the question papers to be set for these Law examinations each year. There is no reason to suppose that this increase of fee will be insufficient for the purpose.

ENCLOSURE.

Resolutions adopted by the Senate at its meetings held on 22nd and 23rd October 1915.

That the following transitory regulations be adopted:—

"221-A. The First Examination in Law (under the old regulations) shall also be held at Madras and at such other centres as the Syndicate may appoint in October 1916, and in October 1917 and shall commence on the first Monday in October 1916 and on the first Monday, in October 1917, respectively."

"222-A. Applications for admission to either of the First Examinations in Law specified in Regulation 221-A must be in the usual form, and must reach the Registrar not later than the 10th July preceding."

"223-A. No candidate shall be admitted to either of the examinations held under Regulation 221-A until he has been registered therefor. No candidate shall be so registered until he has paid a fee of forty rupees."

"228-A. The B.L. Degree examination for candidates who have passed the F.L. examination under the old regulations, shall also be held at Madras and at such other places as the Syndicate may appoint, in the month of October in the years 1916 and 1917, and shall commence on the first Monday of the month."

"229-A. Applications for the examinations held under Regulation 228-A must reach the Registrar not later than the 10th July preceding."

"230-A. No candidate shall be admitted to either of the examinations held under Regulation 228-A until he has been registered. No candidate shall be so registered until he has paid a fee of forty rupees."

Order—No. 1341, Educational, dated 8th December 1915.

Under section 25, sub-section (1) of the Indian Universities Act, 1904, the Government sanction the transitory regulations submitted with the Registrar's letter read above.

BIENNIAL LAW EXAMINATION.

Mr. K. V. Rungaswamy Iyengar then proposed the introduction of a series of Transitory Regulations to the following effect:— to hold the first examination in Law under the old Regulations in October, 1916, and October, 1917, in addition to the usual examinations in April, and to hold also the B. L. Degree examination for those who passed F. L. under the old Regulations similarly. He also suggested that the fee for admission to these examinations be raised to Rs. 40.

In moving the proposition he said that the object was to provide for two examinations during the limited period already agreed to by the Senate. The new Regulations were in a sense sprung on the candidates, and it would considerably relieve the tension now existing if two were held instead of one examination in the year. The University would not lose anything, and though the present rates of fees were quite enough to safeguard against any loss he had proposed that it would be raised to Rs. 40.

In seconding the proposition Mr. C. P. Ramaswamy Iyer said that he should have voted for a general proposition that the Law examination should be biennial. The present regulation was only a harrassing one. The two examinations in the year would be beneficial both to the students and the University, and there could possibly be no objection to it.

Mr. Ramunni Meenon proposed and Mr. Mark Hunter seconded that the fee of Rs. 40 proposed be raised to Rs. 60. After considerable discussion as to the advisability of raising still further the fee already proposed by the mover of the resolution, the amendment was put to the vote and lost, the substantive resolution being carried.
