Srijit Neelamani Poricha
President
Uthkal Withisimi Samaj
Parlakimedi

To
The Secretary to Government of
Madras in Educational
Department.

Dated Parlakimedi 10-11-15

Sir,

I beg leave to represent to you that the Verrigas in this Presidency outnumber the Malayalam and Hindustani speaking peoples and that since the University has been established, not even one Verriga has been nominated to one of its fellowships. Since 1857 Verrigas have made some progress in University education and among them it is not now difficult to find B.A.'s and M.A.'s and Law graduates. Besides the patrons of University education in this district have been Verrigas alone. But for the liberality of the Parlakimedi Raji family and the late — lamented Rajah of Kallikota and Attugada Estates, the two second-grade colleges in this district would never have existed. In addition to a second grade college, the Raja of Parlakimedi has been maintaining a Sanskrit Patasala preparing candidates for the Oriental Titles — Examinations of the Madras University. He has instituted scholarships for some that prepare themselves for the B.A. Degree examination of the Madras University. Besides there have ^{also} pupils at the Calcutta and Oxford Universities that have been receiving substantial pecuniary help from him.

The Uthkala Withisimi Samaj humbly prays that you will be pleased to move government to recognise the claims of the Verrigas for a fellowship in

Sd/-

in the University and to place them under a
debt of gratitude to the benign government.

I beg to remain,

Sir,

your most obedient servant.

Neelamoni Porcher

President

C.No.3948 Edl., From the President, Utkal Hithaisini Samaj, Parlekimedi.
d/10th November 1915.

Uriya representation on the Senate.

Under section 6(1) of the Indian Universities Act, 1904, the number of Ordinary Fellows shall not be less than fifty nor exceed one hundred; and of such number

- (a) ten shall be elected by the registered graduates,
- (b) ten shall be elected by the Faculties, and
- (c) the remainder shall be nominated by the Chancellor.

Under section 6(4), the nominations of Ordinary Fellows by the Chancellor is made in such a manner as to secure that not less ^{than} two-fifths of the Fellows so nominated shall be persons following the profession of education.

Under section 10, the Chancellor may, subject to the provisions of section 6, nominate any number of fit and proper persons to be Ordinary Fellows. No specific qualifications have, however, been prescribed in regard to the nomination of these Fellows.

2. The statement that the Uriyas in this Presidency outnumber the Malayalam-speaking people is far from correct, as will be observed from the following figures taken from the last Census Report:-

Total population	41,870,160
Malayalam-speaking population	3,099,083
Uriyas	1,604,345

Table X on pp 84+85 of part I
of the Census Report.

Vide the list on p. 6 of
Go. No. 718 Add. dt/5.8.13
(R)

3. The Uriyas come under the category of backward classes in point of education. That there are no Uriyas on the Senate is apparently due to the existence of few or no members of that community who are fit for nomination as follows.

~~In~~ the absence of specific provision in the Indian Universities Act in regard to proportionate representation of the different classes on the Senate, there seems no reason why the Chancellor should enquire specially about Uriya candidates fit for nomination to the Senate. Perhaps the President of the Samaj may be told that the claims of fit and proper persons of the Uriya community will receive due consideration in connection

with

with the nomination of Fellows.

Submit that the Registrar in proper offices whom the President of the ... shall address.
