Station M A D R A S, Dated the 16th September 1915From (Name) J.H. Stone, Esq., M.A., F.R.H.S., C.I.E.,(Designation) Director of Public Instruction,
Madras.To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

In G. O. No. 3 Educational, dated 4th January 1912, Government sanctioned a two-thirds grant not exceeding Rs. 6,466/- towards the cost of constructing a building for the use of St. William's European Girls' School, -- (previously known as the Roman Catholic Girls' School) Rayapet, Madras, on an approved estimate of Rs. 9,700/-. In May 1913, the correspondent submitted a revised estimate for Rs. 12,000/- and stated that the increase in the amount of ^{the} estimate was due to the rise in the prices of building materials and to the provision of flat tiles for roofing, and requested sanction for the revised estimate

which

which involved no material alteration in the sanctioned estimate. The revised estimate was approved on the presumption that the management could find the necessary additional funds and the correspondent was informed accordingly. After the building was completed, the correspondent applied for an additional grant on account of the increased cost shown in the revised estimate, when his attention was invited to the condition on which the revised estimate was approved. He pleaded that he misinterpreted the order to mean that he was to bear only one-third and not the whole of the additional cost. On a further representation made by him, I was satisfied ^{and} the reasonableness of his request. I have therefore the honour to submit the enclosed estimates

The for which

- 2 The correspondent's final bill for Rs. 13,500/-.

and to recommend that as a special case the grant of Rs. 6,466/- already sanctioned by Government may be raised to Rs. 8,000/- which is two-

thirds of the revised estimate Rs. 12,000/-. The approved plans and estimates of the work appear to have been mislaid by the correspondent who says that duplicate copies of them are in the Chief Engineer's office.

2. If the grant is raised as recommended, the additional grant may, I submit, be paid in 1916-17 as funds will not permit of its payment during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.
