Please see G.O. No. 354 Est., dated the 26th March 1915, in which the Govt directed Sir Frederick Nicholson to carry on experiments in the manufacture of soaps & fats. In April last, Sir F. Nicholson submitted a scheme for the establishment of a soap factory and asked for a sum of Rs 3,000 for capital expenditure & Rs 24,000 for current expenses. As, however, funds were not available, the Govt were unable to approve the scheme. Subsequently Sir Frederick Nicholson asked for a sum of Rs 6,000 to enable ^{him} to carry on the experiments in soap making which he had already undertaken. This was sanctioned in G.O. No. 735 Est., dated the 5th July 1915. A report on the experiment is due from him towards the close of this year. That report may show how far there is scope for the establishment of a soap factory in this Presidency. The following draft answer is submitted for approval:—
