R. Dis. No. 355 Rev. of 1915.

Station Coimbatore., Dated the 25th October 1915.

From (Name) A.R. Cumming Esquire, I.C.S.,

(Designation) Collector of Coimbatore.

To The Secretary to the Government of Madras,
Local and Municipal Department,
Fort Saint George, Madras.

Sir,

At the instance of the Manager, London Mission High School, Coimbatore, I have the honour to submit for approval and publication in the Fort St. George Gazette a draft notification under section 6 of Act I of 1894 (India) for the acquisition of an extent of 5.31 acres of land required for the extension of the compound of the London Mission High School, Coimbatore.

2. The school is a public institution open to all classes of people and its management is vested in the London Mission Society which is a registered Corporation under

under the English Law. There is, therefore, no objection to enforce the provisions of the Land Acquisition Act on its behalf. The existing school buildings are considered insufficient to meet the present requirements. The Manager states that even Government recognised the necessity for the extension of the school premises both for the extension of the building and for providing a recreation ground, and that they have given a grant of Rs 4,000/ for the express purpose of the acquisition of the lands needed for the extension.

3. The lands to be acquired were about 10 years ago ^{now} garden lands but they are lying waste and are overgrown with prickly-pear. All the owners concerned have been examined. Only two of them are unwilling to part with their lands. Translations of their statements are enclosed. They are the owners of T.S. Nos. 690 and 719. The former does not give the grounds of his objection while the latter states that he intends constructing a house for his own occupation on his share of the land and cannot, therefore, give it up for the school. In view of the fact that he has not chosen to construct a building on his site for the last 10 years, I submit that his objection may be over-ruled.

4. Of the total extent of the land to be acquired an extent of 23 cents has good road frontage while the remaining extent is situated in the interior. The Revenue Divisional Officer, Coimbatore, has valued the lands having road frontage at Rs 1,800 an acre and those in the interior at Rs 800 an acre with reference to the rates awarded for the Town Police lines which are situated just north of the sites to be acquired. At these rates the total estimated cost of the acquisition comes to Rs 6,314-4-6 including the statutory allowance of 15% which the London Mission is prepared to pay.

I have the honour to be,
Sir,
Your most obedient servant,

Statement dated 12th June 1915 of Mallaigounden before the Revenue Inspector, Coimbatore.

T. S. No. 719 of the 2nd Ward of Coimbatore Municipality belongs jointly to myself, my brother Lakkaigounden and my sister Nanjammal. I do not know the exact share of each though there is a document showing the respective shares. At present I am residing in a small house in the Okkiliar street. As I find my present residence to be insufficient I intend constructing a house for my own occupation on my portion of the above land. I am therefore unwilling to part with it. I cannot even say what compensation I shall demand. There is no encumbrance on my land. There is a Poovarasan tree on it.

CN. 422989
35/11/15

The Land Acquisition Act to obtain lands for private schools are contained in G.O. 599 Sd. 27. 6. 13. ^{Chival} The objections of two of the owners of the lands to sell their holdings perhaps justify the application of the Act to this case. Subject to orders a draft order is submitted for approval. It may, if approved, be sent to Revenue, u.o. for acceptance.
