To The Secretary to the Government of Madras,  
Educational Department.

Sir,

With reference to Government Memorandum No. 3344-1 Educational, dated 8th October 1915, I have the honour to state that the normal inspection work of the Inspector of European and Training Schools on the Nilgiris used to be and still might be completed within six weeks. Last year the Inspector's halt there was extended to seven weeks on account of the Conference of inspecting officers which was held in June 1914. During the current year the Inspector attended a similar conference in connection with the location of a training school and college for Europeans at Lovedale.

If

If the Inspector had exercised due economy in the matter of travelling and halting allowances, he might have curtailed the stay of his establishment during the current year to seven weeks at most. The enclosures to your Memorandum are herewith returned.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.
