G.O. No. 729, Educational, dated the 3rd July 1915.

ABSTRACT.—Approving generally the proposals of the Director of Public Instruction for the utilization of the annual recurring Imperial grant of Rs. 30,000 for the improvement of Muhammadan education.

II

Letter—from the Hon'ble Mr. J. H. STONE, C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General, Madras).
Dated—Madras, the 4th November 1915.
No.—R.C. 6235.

With reference to G.O. No. 729, Educational, dated 3rd July 1915, sanctioning, among the other proposals made for the improvement of Muhammadan education in this Presidency, the opening of incomplete secondary schools for Muhammadans at Vellore and at Trichinopoly, I have the honour to submit the following proposals for the establishment of such a school at Vellore.

2. It is proposed to start the school experimentally for a period of three years with effect from 1st January 1916, its permanent retention being contingent on its success during the trial period.

As no suitable building is available in Vellore, it is proposed with the consent of the Chairman, Municipal Council, to locate the school temporarily in the building of the Municipal Muhammadan elementary school, Vellore, and to construct a separate building for it when its success has been assured. Hence it is not intended to make any provision for rent at present.

As regards the salaries of the staff, the Inspector of Schools, V Circle, proposes a slightly higher scale than that sanctioned for the Government Muhammadan secondary school, Georgetown, in view to securing a thoroughly competent staff so that the school may not suffer by comparison with the local Voorhees' College. Since, however, the proposed school will teach in Urdu and therefore supply a want the lower classes of the Voorhees' College do not meet, and since there is no reason to suppose that it will prove more difficult to obtain Muhammadan teachers in Vellore than in Madras, I consider that the scale of staff and salaries, and provision for contingencies and other charges may be the same as those sanctioned for the Government Muhammadan secondary school, Georgetown, Madras, and accordingly beg to recommend the following charges:—

Recurring charges.

Salaries—

Headmaster, Rs. 60—4—80 (biennial).
Three assistants at Rs. 30—2—40 each (biennial).
Do. „ 25—1—30 „ „ „
Combined drawing and drill master, Rs. 30.
Tamil Pandit, Rs. 20.
Peon, Rs. 7, without grain compensation allowance.
Contingencies—Rs. 20.

Non-recurring charges.

Furniture, books and maps, Rs. 700.

The cost during the two months of the current year will be Rs. 604 excluding the initial outlay of Rs. 700 on equipment.

3. As regards the opening of secondary school for Muhammadans at Trichinopoly, the Inspector of Schools, V Circle, states that he has addressed the correspondent of the Islamiah secondary school, Trichinopoly, regarding its transfer to departmental management and that his reply is still awaited. I shall submit proposals in regard to this matter on receipt of the Inspector's reply.

From the Director of Public Instruction, R.C. No. 6235/15, dated the 4th November 1915.

In the proposals generally approved for the utilization of the annual recurring Imperial grant of Rs. 30,000 for the improvement of Muhammadan education in this Presidency, a sum of Rs. 4,700 has been allotted for the opening and maintenance of an incomplete secondary school for Muhammadans at Vellore. The Director now submits detailed proposals in connection with the school.

2. The proposed school is apparently to consist of eight classes up to the third form and the scale of staff proposed conforms to that sanctioned for the similar school in Georgetown, except that the Tamil pandit in the new school is to get only Rs. 20 as against Rs. 30 per mensem in the Georgetown school.

3. A draft order sanctioning the proposals is submitted. If approved it may be forwarded to Financial for acceptance.
