In submitting herewith letter Dis. 768 D.B./15, dated 21st June 1915 of the President, District Board, Chittoor, with its enclosure regarding the acquisition of a site for a play ground for the Board High School, Chittoor I have the honour to state that the land proposed to be acquired by the District Board is not expensive and that it is considered both by the Inspector and the District Medical & Sanitary officer to be suitable. As the District Board spent in 1913-14, 10.3 per cent of its net expenditure on Education and as the net cost of the school is met from Provincial revenues, I consider the President's request for a Provincial subsidy of Rs.360 to meet the cost of acquisition

of the site to be reasonable. Furthermore this school did not participate in the distribution of subsidies made last year in G.O.No. 47 Edl., dated 15th January 1915 for the acquisition of play grounds. I therefore recommend that the President's request for a subsidy of Rs.360 be complied with and that he be permitted to include the said amount in the net cost statement of the school for the year 1915-16. I also suggest that the Collector of Chittoor be empowered to apply the Land Acquisition act in order to acquire the land proposed to be used as a play ground for the Board High School, Chittoor.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.
