that he is willing to forego all civil pay whilst on military service, as he has no one dependent on him. It is not clear what civil pay Mr. Guthrie is entitled to during the period of his military duty. From the ~~Home Department~~ ^{Army Department} letter from the ~~Post Office~~ ^{Army Department}, No. 45957, dated the 1st July 1915. (Copy enclosed) it is observed that Govt. servants who are Volunteers and who have been ^{officially} attested for service overseas in that capacity, ~~therefore~~ will receive, while employed overseas, military pay + allowances of rank plus civil furlough pay. It is ~~also~~ not known whether these orders cover the case of Govt. servants who hold temporary & non-pensionable appointments. From (Name) K.L.B. Tresler Esq.,

Sir, Thrs' the Accountant General .

(Abstract) (J)

I have the honour to advert to G.O. No. 1017 Edl. Mis. dated 17th September 1915 approving the arrangements made by me to carry on the work of the Trade School during the absence of Mr. A. Guthrie, the Leather Expert, on war duty.

2. In that letter it was reported that Mr. Guthrie desired that the whole of his civil pay might be credited to Government and it was suggested that the whole of the expenditure to carry on work during his absence might be met from the pay thus surrendered. In G.O. No. 1017 Edl. Mis. of the 17th September 15 the arrangements were

(J) approved but the question of Mr. Guthrie's pay was not

SK

touched upon.

3. In G.O. No. 1154 Public dated 31st August 1915 orders were issued deciding that Government servants who are volunteers and who may be attested for services overseas might draw their military pay and allowances of rank plus civil furlough pay. Mr. Guthrie has now in accordance with this G.O. applied for the furlough pay from June 30th upto date and requests that it may be drawn and paid to his bankers.

4. I request to be informed if his request is admissible; if so that the Accountant-General may be addressed to make necessary arrangements and inform me what is to be done.

I have the honour to be,

Sir,

Your most obedient servant,

Submitted that it is not clear
what Mr. Gauthrie means by saying
that he is "willing to forego all
civil pay whilst on active service".
Civil officers on military service
draw furlough pay plus the pay
& allowances of army rank & the
amount drawn by them is debited
to military funds. Mr. Gauthrie,
being a temporary officer, does
not seem to be eligible for any
furlough allowances. It is not
clear therefore what emolument
Mr. Gauthrie will be entitled to
when on military duty. The
Accountant-General may,
it is submitted, be consulted as to
if he is eligible for the furlough
allowance.

allowances it is probable that Mr Guthrie may be referring to them. On receipt of definite information, the letter may be transferred to the General Officer Commanding as the amounts payable to Mr Guthrie will be debitable to the military Dept. War Section may be consulted first.

Mr. Guthrie has apparently been attested for service overseas in his capacity as a Volunteer and presumably the orders contained in the Government of India Army Department letter No. H.5957, dated 1st July 1915, recorded in G.O.No.1154 Pub., dated 3rd August 1915, are applicable to him. It is doubtful however whether these orders cover the case of Government servants who hold temporary and non-pensionable appointments only. In this connection attention is invited to orders of the Government of India recorded in G.O. No.266 Public, dated 20th February 1915. As Mr. Guthrie's pay and allowances while on Military service

in or out of India are debitable to the Military Department the Divisional Disbursing Officer, 5th Secunderabad Division, Bolarum may be asked to advise. Mr. Guthrie being a temporary officer is not entitled to furlough under Civil Leave Rules.
