To The Secretary to the Government of Madras,  
Educational Department.  
/Through the Accountant General/  
Sir,

As the sanction accorded in G.O.No. 1365 Edl., Mis., dated 3rd December 1914 to the retention of the additional teacher on Rs.30 per mensem in the Government Girls' school, Villupuram expires with the 30th November 1915, I have the honour to request that Government will be pleased to sanction the retention of the post for another year from the 1st December or until the introduction of the scheme for the reorganization of Government Girls' schools, whichever is earlier. The Inspectress of Girls' Schools, Central Circle considers the continuance of the teacher to be absolutely

necessary in view of the further increase in the strength of the school from 260 to 270.

2. In this connection Miss Lynch states that the present staff consisting of seven teachers (on Rs.30 (temporary) Rs.20, 14, 12 and 3(10) ) finds it unable to manage the eight standards in the school and that their strength (vide details noted in the margin) warrants the immediate employment of at least one additional teacher and requests therefore sanction for the employment of a

average attendance of the various standards into account a staff of eight teachers is very necessary. As however this teacher will be required for the lower classes I consider that a pay of Rs.12 per mensem is sufficient. I beg accordingly to request that sanction may also be accorded to the employment for a period of one year from 1st January 1916 or until the reorganization of the Government Girls' schools whichever is earlier, of an additional teacher on Rs.12 per mensem in the school.

3. Provision for the salary of the temporary teacher on Rs.30 per mensem exists in the current year's budget and has been repeated in the Budget Estimate for 1916-17 and the extra cost during the current year on account of the additional teacher on Rs.12 now proposed may be met from the savings anticipated under salaries for Government ~~Girls~~ schools General-Girls' schools - in the current year's budget. I request that if the latter proposal be

approved the necessary provision may be included in the  
Budget estimate for 1916-17.
