No. 7946

Enclosures.

SENATE HOUSE, 18 DEC 1915

FROM

FRANCIS DEWSBURY, Esq., B.A., LL.B.,

Registrar, University of Madras,

TO

The Secretary to Government

Educational Department.

Sir,

In his letter No.261, dated October 14, 1915, the Chairman of the University Library Committee requested me to move the Vice-Chancellor to address the Home Government, through the Secretary of State for India, on behalf of the Madras University Library, for the free supply of as complete a set as possible of the 'Rolls Series' published by the authority of the Lords Commissioners of His Majesty's Treasury under the sanction of the Master of the Rolls, and to request that His Majesty's Government would be pleased to include the name of the Madras University Library in the list of institutions to which future issues of these valuable publications are supplied free.

2. The Chairman suggested that His Majesty's Government might be informed that this University has during the last few years considerably extended its Library and that it is open to the public and is to a considerable extent used by persons engaged in research: and that one of the aims of the Library is to have as complete a collection as possible of the publications of Learned Societies and Institutions.

3. By the direction of the Syndicate I inquired from the Chairman whether there was any reasonable expectation that this request for the free supply of the 'Rolls Series' would receive favourable consideration, and I was informed that it was understood

that the 'Rolls Series' is presented free of charge to the Universities of Britain.

4. The Syndicate has thereupon instructed me to request that the Government of Madras will be pleased to make the necessary representations to the Home Government on behalf of the University in order that, if possible this valuable publication may be secured for the University Library.

I have the honour to be,

Sir,

Your most obedient servant,

Francis Burslem

Registrar.
