I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—Madras, the 23rd October 1915
No.—R.C. 3900.

I have the honour to report that on the recommendation of the Inspectress of Girl's Schools, Southern circle, 50 scholarships of the aggregate annual value of Rs. 966 have been placed at her disposal for award to Mappilla girls studying in the elementary schools for Mappilla girls in the circle. They have been sanctioned with a view to the special encouragement of Mappilla education and are to be awarded under conditions similar to those for the award of Mappilla scholarships in elementary schools for boys, a copy of the rules for the award of which is enclosed.

2. The expenditure on account of these scholarships will be met, during the current official year, from savings under the budget provision for "scholarships in elementary schools for girls" and it is requested that the necessary additional provision may be caused to be made in the educational budget for 1916-17, now under consideration.

Endorsement No. Bud. 41-15624, dated 1st November 1915.

Forwarded.

There is no audit objection to the proposal being sanctioned by Government.

Memorandum No. 3779-1, Educational, dated 27th November 1915.

In the Director of Public Instruction's letter R.C. No. 3900, dated the 23rd October 1915, requesting that additional provision may be made in the budget for the further institution of 50 scholarships for Mappilla girls, it is stated that the scholarships have been sanctioned and placed at the disposal of the Inspectress of Girls' Schools, Southern circle. The Director is requested to state—

(i) the authority under which the scholarships in question were sanctioned and assigned for award, and—

(ii) the individual value of the scholarships.

IV

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 11th December 1915.
No.—Ref. on Cur. 3900.

With reference to Government Memorandum No. 3779-1, Educational, dated 27th November 1915, I have the honour to state that it has been usual for the Director to issue the scholarship notifications without reference to Government and subject to budget provision to modify them from year to year as circumstances and the gradually changing requirements of the times seemed to demand. Two hundred and twenty scholarships special for Mappillas have been awarded for many years in standards III and IV of the schools situated in the Ernad and Walavanad taluks of the Malabar district and this number has been found insufficient to meet the growing needs of Mappilla education, especially female education, in Malabar. Although in theory these scholarships were tenable by girls as well as by boys, yet in practice they were held almost entirely by boys. The additional scholarships have therefore been sanctioned for the benefit of the Mappilla girls alone. They are at the same rates as those held by Mappilla boys, in standards III and IV. A few scholarships in standards V, VI and VII were also sanctioned in order that these girls might be educated up to the standard necessary for their admission into a higher elementary training school for mistresses, the supply of qualified Mappilla women teachers being insufficient to meet the demand.

2. The individual value and the number of the scholarships now sanctioned are :—

	RS.
20 at Re. 1 per mensem each in standard III	20
12 at Rs. 1½	18
9 at " 2	18
5 at " 2½	12½
4 at " 3	12
50	80½ × 12
	=966

Order—No. 1462, Educational, dated 24th December 1915.

The Government approve the proposal of the Director of Public Instruction to award 50 scholarships of the annual aggregate value of Rs. 966 to Mappilla girls studying in elementary schools.

2. The Government do not consider that any additional allotment need be made for this purpose in the budget for 1916-17; the provision already entered under the head Scholarships in elementary schools should be sufficient to cover the new scholarships also.

*From the Director of Public Instruction, dated 23rd October 1915,
R.C. No. 3900/15.*

At present there are 220* scholarships available to Mappilla boys reading in elementary schools and in the preparatory classes of secondary schools. The Director's present proposal is to provide 50 similar scholarships of the aggregate annual value of Rs. 966 to Mappilla girls studying in elementary schools intended for them. The proposal seems to be acceptable and may be sanctioned especially in view of the need that exists for spreading education among the Mappillas.

For a precedent please see G.O. 782, Educational, 17th July 1915.

I do not quite understand the proposal. The Director of Public Instruction says the scholarships have been placed at the disposal of the Inspectress of Schools. He also says they have been sanctioned. All that he asks for is that budget provision should be made for these scholarships. Will Education kindly say whether the Director of Public Instruction was in order in sanctioning the scholarships? He does not state what their individual value is.

NOTES TO G.O. 1462, EDUCATIONAL, 24TH DECEMBER 1915

From the Director of Public Instruction, dated 11th December 1915,
R.O.C. No. 3900/15.

The information now furnished by the Director of Public Instruction was called for at the instance of the Financial Department to whom the file may be forwarded.

C. G. TODHUNTER—15-12-15.

FINANCIAL DEPARTMENT.

The Educational Department have not made any specific remarks with reference to **M** on page 1 ante. It is clear that the Director of Public Instruction now exercises, subject only to the restriction of budget provision, unlimited powers in regard to the grant of these scholarships. It does not, however, appear that any cases have now arisen, which call for a change in the existing arrangement. Orders are solicited whether the draft order may be accepted subject to the addition suggested in paragraph 2 *infra*.

2. *Provision of funds, 1915-16*—The Director of Public Instruction has pointed out the source.

1916-17.—In regard to the request of the Director of Public Instruction, in his letter, that an additional provision of Rs. 966 should be made in the budget for 1916-17 for scholarships to Mappilla girls in elementary schools, it is submitted that the point was considered when the budget for 1916-17 under "22. Education" was scrutinized in Financial. It was then decided that as the probable expenditure on account of scholarships in elementary schools would amount to only Rs. 13,200 there was no necessity to increase the budget provision for 1916-17 of Rs. 17,200 already entered by the Director of Public Instruction. The Educational Department may, it is submitted, be requested to add a sentence to this effect to the draft order.

T.S.—18-12-15.

C.P.K.—18-12-15.

We need not object to Director of Public Instruction continuing to sanction such scholarships within budget provision.

We may accept the draft subject to the remarks made in paragraph 2 of the Financial office-note. Ample budget provision has already been made.
