C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

With reference to paragraph 2 of G. O. No.896 Educational, Mis., dated 16th August 1915, calling for statistics ^{providing that} the higher elementary grade class in the Government Muhammadan Training School for masters, Madras, has been a success, I have the honour to give below the number of students admitted into the class for the past six years and the number passed in each year at the Preliminary Examination for Teachers' Certificate.

	No. admitted	No. passed	
1910	7	7	
1911	7	6	one did not attend the examination
1912	8	8	
1913	8	7	
1914	15		Results will be known next year.
1915			12 have joined so far out of 19 selected

The class having been formed only from 1st October.

Both the Inspector of European and Training Schools and the Inspector of Schools, IV Circle, consider that there is need for continuing the Higher Elementary grade class in the school permanently. Though it may not be possible now to state exactly how many students will seek admission into the class every year, it may safely be said that the number will in no case be less than 15. It may be mentioned that the Government Muhammadan Training School now working at Guntur and that proposed to be opened at Vellore in connection with the scheme for the improvement of Muhammadan Education, are both of the lower elementary grade and that a school at a convenient centre like Madras to train higher elementary students is necessary to give completeness to the system of training of Muhammadan elementary teachers.

I have the honour to be,

Sir,

Your most obedient Servant,

B. S. Srinivas

for Director of Public Instruction.

OFFICE NOTE.

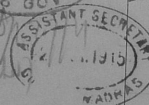

SUBJECT. Permanent rebarhan of the higher elementary grade training class in the late Muhammadan elementary training school, Madras.

From The D.P.I., no 2839, D. 12-11-15

Register No. 3996 Est

Please see the notes and order in G.O. no 896 Est. Dtd the 16-8-15. The figures ^{now} furnished by the D.P.I. ~~shows~~ show that the demand for higher elementary training for Muhammadan teachers is increasing in the present financial year. It does not ^{however} seem desirable to undertake an additional recurring expenditure of Rs. 5,892 per annum involved by the proposal to raise the status of the school permanently. It is therefore for consideration whether the D.P.I. may, with the concurrence of Financial, be asked to bring up the question again ~~in~~ next year in the temporary ^{(which) entail less additional cost} arrangements now in force may continue meanwhile.
