From (Name) The Hon Mr J.H. Stone, M.A., F.R.H.S., C.I.E.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

The liability of this Department under building grants which have been sanctioned up to date and are still pending amounts to nearly Rs. 6,00,000/- and it is anticipated that most of the proposals will mature in the course of next four years unless financial pressure prevents some institutions from carrying out their sanctioned schemes. As the allotment under building grants ordinarily provided in the budget estimates will, unless Government is prepared to increase this allotment very considerably in future years, be insufficient even to pay off these grants without keeping Managers waiting for their money, I consider it undesirable to go on increasing this liability. I have the honour therefore to suggest that

Desirability of deferring sanction for applications for building grants now before Government.

The D.P.I. suggests that, in each

out of the nine ~~XXXXXX~~ applications for building grants referred to ^{by him} sanction might be deferred on the grounds that the allotment under building grants ordinarily provided in the budget estimates is insufficient even to pay off the grants amounting to nearly six lakhs already sanctioned, and that it is undesirable to go on increasing the liability.

8. The nine applications and the stages at which they now are, are noted below:-

5. Before considering the D.P.I.'s suggestion in regard to the cases mentioned in para 2 ante, he may be requested u.o. to state whether the cases referred to in paras. 3 and 4 should not

also be deferred. It may perhaps be desirable ¹³⁴ to ~~give~~ make exceptions in favour ³⁰⁻¹⁻¹⁵ of girls' schools and Muhammadan schools, e.g., Sri Saraswati Patasala, Kumbakam, and Islamiyah Secondary School, Vaniyambadi - Items (6) and (9) in para 2 ante

¹³⁴ In the latter case, the Muslims of ⁴⁻²⁻¹⁵ North Arcot have, in their address to be presented to H.E., requested sympathetic consideration of the question of improving its accommodation.

(G)

¹³⁴ ¹⁻²⁻¹⁵ May not an effort be made in the case of girls' schools and Muhammadan schools?

NOTES.

Page 165

20.10.40 & 8.2.15.

My letter asked to build up parts for  
+ non-European schools - including hostels -  
although it does not say so. The list appended  
being thought sufficient indication of the fact.  
No action is therefore asked for in respect of the  
non hostel European school parts included  
in the list in the notes above, in all 16.

nos. 8 & 10 in that list. (para 3), relate  
cases in which parts have already been sanctioned  
and building fairly completed. The authorities of the  
schools have applied for additional parts on  
account of increase in price of building materials  
so that these two cases should be proceeded with.

no. 11 is provision of playground for the N.Y.M.  
High School, Calcutta. I thought of including  
this in the special special playground parts but  
bracketed it out as this is hardly due time to give  
special parts to German managed institutions.

no. 15. I informed Government in my 4364/14  
of X. 11. 15 that the application for this  
part has been withdrawn.

no. 4. This is partly a hostel scheme and  
sanction of it need not be deferred.

I should certainly be glad not to defer con-  
sideration of the two girls school parts in my  
list Nos. 11195/13 and 8720/13. If  
they are sanctioned the possibility of our not being  
able to meet all building fund demands

~~more~~ next year will be increased. The amounts asked for are together about Rs. 50,000. It seems likely that somehow it will be possible to meet this additional amount next year.

(No 9 has 1/2 of 1000) I should also be very glad to see the part to the Vannambadi School Sanctioned. If P.W.D. would readily dispose of their plans and estimates the amt. might be paid in advance this year out of the Rs. 20000 meant for the Govt. for human education.

The D.P.I's remarks really answer to this. - There will be no difficulty about the applications for building grants for hostels and European schools as the provisions in the C.B.E. for these purposes will probably be sufficient to meet all demands. This disposes of 16 items. The application in regard to item (15) should be considered withdrawn. Sanctions for building grants for items (7) to (13), (5) and (8) in para 2 and item (1) in para 3, ^{should be deferred} for the remaining items may be sanctioned, but the P.W.D. should speedily dispose of the plans and estimates relating to item 9 in para 2, so that the amount may be paid this year.

2. A draft order is submitted for approval. A separate L.O. note requesting the P.W.D. to hurry up dealing with plans and estimates relating to item (9) in para 2 will be submitted.

+ Items (2) to (7), (11) (12) (13) (14) & (16) in para 3 and all the four items in para 4.
