G.O. No. 1030, Educational, dated the 10th November 1913.

ABSTRACT.—Sanctioning a grant not exceeding one-half of the actual expenditure, nor Rs. 7,925, towards the cost of certain additions to St. Joseph's European Convent Girls' High School, Calicut.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 19th November 1914.

No.—Ref. on Cur. 7098 of 1911.

In G.O. No. 1030, Educational, dated the 10th November 1913, a half grant not exceeding Rs. 7,925 was sanctioned towards the cost of certain additions to St. Joseph's Convent European Girls' High School, Calicut, on an estimate for Rs. 15,850 as altered by the Chief Engineer. The correspondent reports that, owing to rise in the rates for materials since the original estimate was submitted in 1911, the work cannot be completed according to the approved estimate, submits a revised estimate for Rs. 17,320 with a comparative statement showing the difference of cost, and requests a grant of two-thirds of the revised estimate. I do not support the request for a two-thirds grant. According to the revised estimate, the excess is Rs. 1,470, and I have the honour to recommend that half of it may be sanctioned as an additional grant.

2. The revised estimate and the comparative statement of differences together with the original estimate are submitted herewith.

III

Note by the Chief Engineer, Public Works Department, No. 395 C., dated the 18th January 1915.

The Director of Public Instruction submits for sanction, through the Educational department, revised estimate amounting to Rs. 17,320 for additions to the St. Joseph's Convent Girls' High School at Calicut.

2. The estimate has been scrutinized in the Chief Engineer's office and the following alterations have been made :—

(a) The provision of 43 cubic feet of erool wall purlins under the joists are disallowed as they are not necessary and were purposely omitted in the Chief Engineer's office.

(b) The original rate of Rs. 1-12-0 per square foot for panel windows with erool frames, teak shutters and iron bars is considered sufficient and the increased rate now provided has been disallowed.

3. With the above remarks, the revised estimate, as altered in the Chief Engineer's office, amounting to Rs. 17,148 is recommended for sanction.

S. B. MURRAY,
Chief Engineer, P.W.D.
