GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 5th February 1915.

No.—Ref. on Cur. 9783/1914.

The Inspectress of Girls' Schools, Northern Circle, recommends the establishment of a hostel attached to the Government training school for Muhammadan women at Guntūr. It is reported that the six students under training and two widow scholarship holders, belonging, as they do, to distant places such as Vizagapatam, Samalkota, Podili and Egerla, are obliged to board with others, and that in consequence no supervision or control can be exercised over them outside the school.

2. The financial help required from Government for the establishment and maintenance of the hostel will be as shown hereunder :—

								RS.
(i) Non-recurring—								
Purchase of utensils	..	..	..	..	..	..	..	50
(ii) Recurring (Monthly)—

Lighting	..	..	..	..	..	..	..	2½
Scavenger	..	..	..	..	..	..	..	½
Total	..	..	..	..	..	..	..	21

3. The monthly boarding expenses have been calculated at Rs. 8 per mensem, allowing for three meals a day. The monthly value of each stipend is Rs. 10-8-0 which would leave a balance of Rs. 2-8-0 for clothing, books and laundry for each stipendiary.

4. The Second Assistant of the school would undertake the duties of the Superintendent, if she were permitted to live in the hostel rent free.

5. In the circumstances reported by the Inspectress, I have the honour to commend her proposal for the acceptance of Government. On receipt of Government sanction, the Inspectress will be instructed to start the hostel with effect from 1st March next.

6. Provision for the recurring expenditure of Rs. 21 per mensem, detailed in paragraph 2 *supra*, may be made in the budget estimates for 1915-16, while the amount of Rs. 50 required for the purchase of utensils may be sanctioned from the non-recurring portion of the Imperial grant for hostels provided for this year. The favour of early orders is requested.

Order—No. 177, Educational, dated 18th February 1915.

The Government approve the proposal of the Director of Public Instruction to establish, with effect from the 1st March 1915, a hostel in connection with the Government training school for Muhammadan women at Guntūr. They also sanction an expenditure of Rs. 50 on the purchase of utensils and a recurring expenditure of Rs. 21 per mensem on account of rent, the pay of the cook, etc. and other contingent charges, subject to the condition that the pay of the cook and the waterman will be met from Provincial funds as a special case for a period of one year only. The initial expenditure on the purchase of utensils will be met from the Imperial grant for hostels.

From the Director of Public Instruction, No. 9783, dated 5th February 1915.

Submitted that in the circumstances explained the proposal to establish a hostel in connection with the Government Training School for Muhammadan Women at Guntūr may be approved.

2. As regards the expenditure proposed, the non-recurring charges and the recurring charges except the pay of the cook and the waterman may be met from Provincial funds as in the case of other similar * hostels. The pay of the cook and the waterman should naturally go with the boarding charges ; but as pointed out by the Director it may not be possible for the students to meet it from their stipends, in view of the smallness of their number. Perhaps as in the case of the cook in the Hindu hostel attached to the Government Training School for Mistresses at Karantattangudi, the pay of the cook and the waterman in the Guntūr hostel may be met from Provincial funds as a special case for a year in the first instance.

3. A draft order is submitted for approval. It may be sent to Financial for acceptance. That department may also be requested to make the necessary provision in the budget estimate for 1915-16.

No. 33, Educational, dated 9th January 1915. The Educational department recommend that they may be met as a special case from Provincial funds for one year in the first instance for the following reasons:—

Paragraph 2 on page 1 *ante*.

- (1) that the number of students (8) will be small; and
- (2) that the charges in question cannot be met by the students themselves from their stipends (Rs. 10½ per mensem).
