Educational Department.

Sir,

The Inspectress of Girls' Schools, Central Circle reports that it is found necessary to incur an expenditure of Rs 13-2-0 towards certain repairs to the latrine shed attached to the Government Secondary and Training School for Mistresses, Triplicane. The owner of the premises considers such repairs to be required purely in the interests of the school and refuses to execute them. As the expenditure cannot be avoided and, as according to the Accountant-General, it requires the sanction of Government, I have the honour to request the necessary sanction to this charge which will be met from the contingencies of the school in the current year's budget. The favour of early
