GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 22nd January 1915.

No.—Ref. on Cur. 7743/14.

I have the honour to state that the Inspectress of Girls' Schools, Central Circle, has proposed the construction of quarters for the Sub-Assistant Inspectress, North Arcot-Salem Girls' range at Chittoor on the grounds that no suitable residences can be found there for Anglo-Indians and that it is not desirable to change the headquarters from that place. The Collector, who was addressed on the subject, concurs with the Inspectress and says that there is a scarcity of bungalows for Anglo-Indians at Chittoor and that he is strongly of opinion that the construction or acquisition of a bungalow as an official residence for the Sub-Assistant Inspectress is desirable. In these circumstances, I have the honour to request that you will be so good as to obtain the approval of Government for the Inspectress's proposal which has my support. In this connection I beg to refer to the letter of the Government of India No. 2170-2181, dated 17th November 1913, inviting suggestions for the amelioration of the conditions of service in the case of mistresses and members of the inspecting staff and to state that provision of quarters will go a great way towards such amelioration.

Order—No. 187, Educational, dated 19th February 1915.

The Government approve the proposal of the Director of Public Instruction to construct quarters at Chittoor for the Sub-Assistant Inspectress, North Arcot-Salem Girls' range. The Director will be requested to obtain and submit for the administrative approval of the Government, the preliminary report, statement of probable cost and other particulars required by article 648 of the Public Works Department Code.

From the Director of Public Instruction, No. 7743, dated 22nd January 1915.

For orders whether in the circumstances explained the Director of Public Instruction may be asked to get plans and estimates prepared and sanctioned so that they might be ready when funds become available. Financial may be consulted. Attention is invited to His Excellency's note on page 2 of notes with G.O. No. 36, Educational, dated 11th January 1915, in which the proposal to construct quarters for the Inspectress of Schools at Tanjore was approved. It is stated that the headquarters of the Sub-Assistant Inspectress will not be shifted from Chittoor and it is not easy to get private buildings. It is not likely that, at least for some-time to come, Indian women will largely replace Anglo-Indians in this field. This seems to be the first case of a proposal to provide Sub-Assistant Inspectress with quarter.
